## Purpose

Food, in sense of Webster's definition of medicine acts as the primary medicine which maintains good health and prevents disease. However, the present world scenario calls for discussions and deliberations about a healthy diet and its access to the human population which is battling a major crisis. According to the World Hunger Statistics, nearly 800 million people in the world do not have access to a proper diet, which roughly estimates to 1 in 9 people!

Food Summit 2019 is dedicated to incite discussions that promote innovations and fresh perspectives to the existing situation. It welcomes professors, research scholars, dieticians, nutritionists, doctors, industrial professionals, students, social workers and groups to be a part of it as we deliberate on the fight to making healthy diet accessible to all.

The Global Summit on Food and Nutrition is set to be among the World's leading Food and Nutrition Conference. The Conference will comprise of major sessions designed to offer comprehensive lectures that address the tracks. The benefits provided to the attendees are:

- Certificates will be provided to all speakers, delegates and students
- Opportunity to meet world's renowned at this event
- Keynote forums by Prominent Physicians & Professors
- Best platform for Global business and networking opportunities
- Oral/Poster presentations by Young Researchers
- Best poster award for students
