# Invitation

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Rome is all set for an amazing event as PULSUS proudly presents the “International Conference on Clinical and Experimental Neuropsychology” slated on June 24-25, 2019 at Rome, Italy.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Neuropsychology professionals from around the world to participate in the upcoming Neuropsychology 2019. The meeting for this year will revolve around the theme “A Clinical Approach on Experimental Neuropsychology” thus relaying the most cutting edge findings in the field of Neuropsychology. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Regards  
Neuropsychology 2019

**Journal of Psychiatry and Neuroscience**

# About City and Venue

Rome is the capital city of Italy and Lazio region with 2,872,800 residents in 1,285 km<sup>2</sup>. It is the fourth most populous city in the European Union by population within city limits. Rome is located in central western Italian peninsulas. Rome has acquired the status of global city. In 2016, Rome has been ranked as the 14th most visited cities in the world and 3rd most visited cities in Europe. It is a city that is proud of its ancient glorious heritage, a city that once expanded its empire throughout Europe, Africa and Asia. The city of Rome includes tourist places such as Colosseum, Pantheon, Spanish Steps, the Forum, Trevi Fountain, and the catacombs any of the buildings have arches, domes and vaults. Colosseum is one of the famous architecture symbol in Rome which is capable of housing 60,000 spectators and it is the largest amphi theatre ever built in Roman empire and it was used for gladiatorial combat. In 126 AD, Pantheon, a temple for all roman gods has been built. Vatican museum is one of the important places to visit in Rome founded by Pope Julius II in 6th century.

# Sponsorship

## Why Sponsor Our Event?

- Maximum exposure at a premier conference devoted to those involved in the office professional industry.
- An opportunity to build and reinforce strategic relationships within the office professional industry.
- Time to network with industry colleagues and key decision makers.
- A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.
- Access to a broad network of industry partners from state and federal Government departments and the private sector.
- Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.
- Increased marketing opportunities including visibility on the conference website and associated marketing materials
