# INVITATION

## FOR CONFERENCE

# DEAR COLLEAGUES,

Allied Academies welcomes you to attend 3<sup>rd</sup> International Conference on Magnetism and Magnetic Materials during October 16-17, 2019 at Barcelona, Spain with the theme "Advanced and Recent developments in the area of Magnetism and Magnetic Materials" This International meet (Magnetic Materials 2019) anticipates hundreds of delegates including keynote speakers, Oral presentations by renowned speakers and poster presentations by students besides delegates around the world. This conference perhaps a giant event that creates an ideal platform to share expertise addressing current technologies involved in Magnetism and Magnetic Materials. It will be a wonderful opportunity for all the delegates as it provides an international networking opportunity to collaborate with the world class Magnetism and Magnetic Materials associations.

OCTOBER 16-17, 2019  
BARCELONA, SPAIN

## ABOUT VENUE

Spain's second largest and definitely most cosmopolitan city and one of the Mediterranean's busiest ports. Barcelona is the capital of Catalonia, which is a region of Spain with its own language – Catalan, and its own culture and character.

Barcelona offers the best of both worlds, situated on the Costa Brava on the Spanish Mediterranean coast, the city gently rises up from the coastline through the city and up into a range of wooded hills. Famous for breaking ground art, architecture and avant-garde chefs; the city eclipses many other for its creativity and forward thinking. Barcelona is a dynamic, open Mediterranean city. It's the perfect city to relax, stroll around and enjoy its unique way of life. Barcelona offers so much to the cultural visitor, there is so much to see, something new and interesting awaits around every corner: Gothic architecture, the famous Las Ramblas avenue, Gaudi's Güel Parc and the unfinished La Sagrada Cathedral, the old Raval quarter, La Ribera and La Barceloneta, a beachside ravel of corridor style streets where you can find some fantastic local restaurants and bars, away from the typical tourist area. Getting around Barcelona is easy. You can pretty much walk around the whole city. They also have a daily rent-a-bike system and the Metro is very good and simple to use. Barcelona is known throughout the world as a cultural city with considerable heritage and a permanent, dynamic offer, a rich architectural and monumental heritage with works that have been declared part of the world heritage by the UNESCO.

The cuisine is a dynamic mix of traditional and modern exploratory dishes; the city of Barcelona itself has more than 600 years of gastronomy culture and ranks along with Gaudi, its gothic inheritance, the Born archaeological finds and the art influences of Miró and Picasso, as the main incentives for tourism in the city.
