# Invitation

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. London is all set for an amazing event as PULSUS proudly presents the “5<sup>th</sup> International Conference on Sexually Transmitted Diseases” slated on July 17-18, 2019 at London, UK.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of STD from around the world to participate in the upcoming STD 2019. The meeting for this year will revolve around the theme “**Breaking Down Barriers towards Elimination of Sexually Transmitted Diseases**” thus relaying the most cutting edge findings in the field of STD. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Regards  
STD 2019  
Organizing Committee

## Conference Highlights

- Sexually Transmitted Diseases
- Viral STDs
- Bacterial STDs
- Fungal & Protozoal STDs
- Epidemiology of STDs
- Immunopathogenesis
- Stages of HIV Infection
- Cancer associated with STDs
- Clinical Diagnosis of STDs
- STDs Prevention and Treatment Strategies
- Nanotechnology in HIV Treatment
- Phytochemicals in STDs Treatment
- Vaccination and Vaccines Development
- Drug Development and Research
- Multimorbidities and Co-Infections
- Vertical Transmission of STDs
- Infertility and Birth Defects
- Psychosocial Interventions in STDs

# About PULSUS

**Pulsus** Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

**Pulsus** Conferences explore the future by connecting minds and spreading brilliance at **Pulsus** Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. **Pulsus** group is closely associated with globally renowned academic and research societies.

**Pulsus** Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. **Pulsus** Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

EB Members

Sexually transmitted diseases are a global level health issue with ongoing research and development for therapies and drug for prevention and treatment of sexually transmitted diseases. STDs cause serious health complications such as infertility in both men and women, ectopic pregnancy, pelvic inflammatory disease, stillbirth, neurologic damage, cancer and high morbidity in adults. There are about 20 million new STD infections each year. As per WHO report in 2015, about 1.1 billion people had sexually transmitted diseases other than HIV/AIDS. About 500 million people were infected with either chlamydia, gonorrhoea, syphilis or trichomoniasis. At least 250 million women suffering from human papillomavirus while 530 million case find with genital herpes.

## Target Audience

- Sexual Health Specialists
- HIV counsellors
- Gynaecologist and Obstetrician
- Urologists
- Epidemiologists and Microbiologists
- Dermatologists
- Paediatrician
- Oncologists and Pathologists
- Infectious Disease Specialists
- Behavioral Specialists
- Nurse-practitioners
- Medical Professionals and Physicians
- Young Researchers and Students
- Community Health Educators
- Diagnostic Laboratory Technologist
- Social Workers

- Medical Institutes
- Educational Institutes
- Pharmaceutical Companies
- Training Institutions

## Why to attend?

The STD 2019 conference explores advances in practice, management and education in relation to health disparities as well as a breadth of other topics associated with sexually transmitted diseases. Sexually Transmitted Diseases (STDs) are among the most infectious diseases which is caused by bacterial, viral and protozoal pathogens and are a major cause for morbidity and mortality in many developing countries. The prime focus of the event is on the clinical advances in diagnostic methods, understanding drug resistance and mutation mechanism and different treatment strategies mainly focusing on drug development and research such as gene editing, nanotechnology in drug delivery system, phytochemicals in STDs treatment which can deliver better clinical care and treatment practices. This event provides an excellent opportunity for the young scientists and budding researchers to explore the advancements in the various fields associated with STDs.

# Conference Agenda / Program

## Event at a Glance

Day-01 Wednesday 17 July 2019	
Time	Session
08:30-09:30	Registrations

Selected contributions will be published in following supporting international Journals:

**International Journal of HIV and AIDS Research**

**Journal of Sexual and Reproductive Medicine**

**Journal of Clinical Microbiology and Infectious diseases**

# About City and Venue

London is the capital and multifarious city of England and the United Kingdom. It was founded by the Romans and situated on the River Thames in the south east of the island of Great Britain. Since the 19th century, the City of London, largely retains its 1.12-square-mile (2.9 km<sup>2</sup>) medieval boundaries, London is a leading global city in the field of arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation accounting for 13.4% of the UK population. It is known as the largest financial centre of the world and positioned as the fifth- or sixth-largest metropolitan area GDP in the world. London is a world cultural capital. It is the world's most visited city as measured by international arrivals and has the world's largest city airport system measured by passenger traffic. London is the world's leading investment destination, hosting more international retailers and high-net-worth individuals than any other city of UK. City Attractions Being the capital of UK and the most visited place by the tourists from all over the world, A trip to the capital wouldn't be complete without seeing the modern Coca-Cola London Eye to the historic Tower of London.

# Sponsorship

## Why Sponsor Our Event?

- Maximum exposure at a premier conference devoted to those involved in the office professional industry.
- An opportunity to build and reinforce strategic relationships within the office professional industry.
- Time to network with industry colleagues and key decision makers.
- A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.
- Access to a broad network of industry partners from state and federal Government departments and the private sector.
- Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.
- Increased marketing opportunities including visibility on the conference website and associated marketing materials

## Diamond Sponsor: \$10000
