

# About Conference

**Molecular Medicine 2019** focuses on sharing of scientific knowledge and experience in all areas applied to Molecular Medicine, Diagnostics and related scientific fields. It provides the platform for researchers, scientists, and educators to present and discuss the most recent innovations, trends, concerns, practical challenges encountered, and solutions adopted in the fields of Molecular Medicine and Diagnostics. Our conference is oriented to shape future research directions by driving the scientific community at large by facilitating access to the newest technical and scientific achievements.

## 4<sup>th</sup> International Conference on Molecular Medicine and Diagnostics

July 15-16, 2019 | Abu Dhabi, UAE

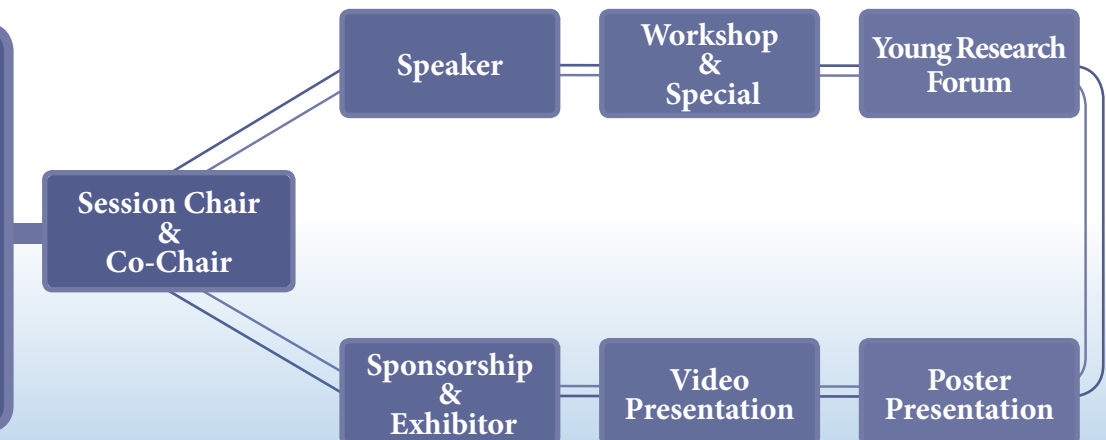

# Event at a Glance

| Day 01 July 15, 2019               | Day 02 July 16, 2019              |
|------------------------------------|-----------------------------------|
| Session                            | Session                           |
| Registrations                      | <b>Keynote Forum</b>              |
| Opening Ceremony                   | <b>Session 1</b>                  |
| <b>Keynote Forum</b>               | Advances in Molecular Diagnostics |
| Group Photo                        | Prenatal Molecular Diagnostics    |
| Session 1                          | Point-of-Care Diagnostics         |
| Molecular Medicine                 | Clinical Diagnostics & Research   |
| Molecular Diagnostics              | <b>Session 2</b>                  |
| Molecular Genetics and Genomics    | Infectious Diseases               |
| Molecular Oncology                 | Next-Generation Sequencing        |
| Session 2                          | Immunogenicity Testing            |
| Molecular Biomarkers and Diagnosis | Metagenomics                      |
| Cellular and Molecular Biology     | Stem Cell & Regeneration          |
| Molecular Pathology                | Clinical Chemistry                |
| Molecular Evolution                | Poster Presentation               |
| Panel Discussion                   | Panel Discussion                  |
| <b>Day Concludes</b>               | Award Ceremony                    |

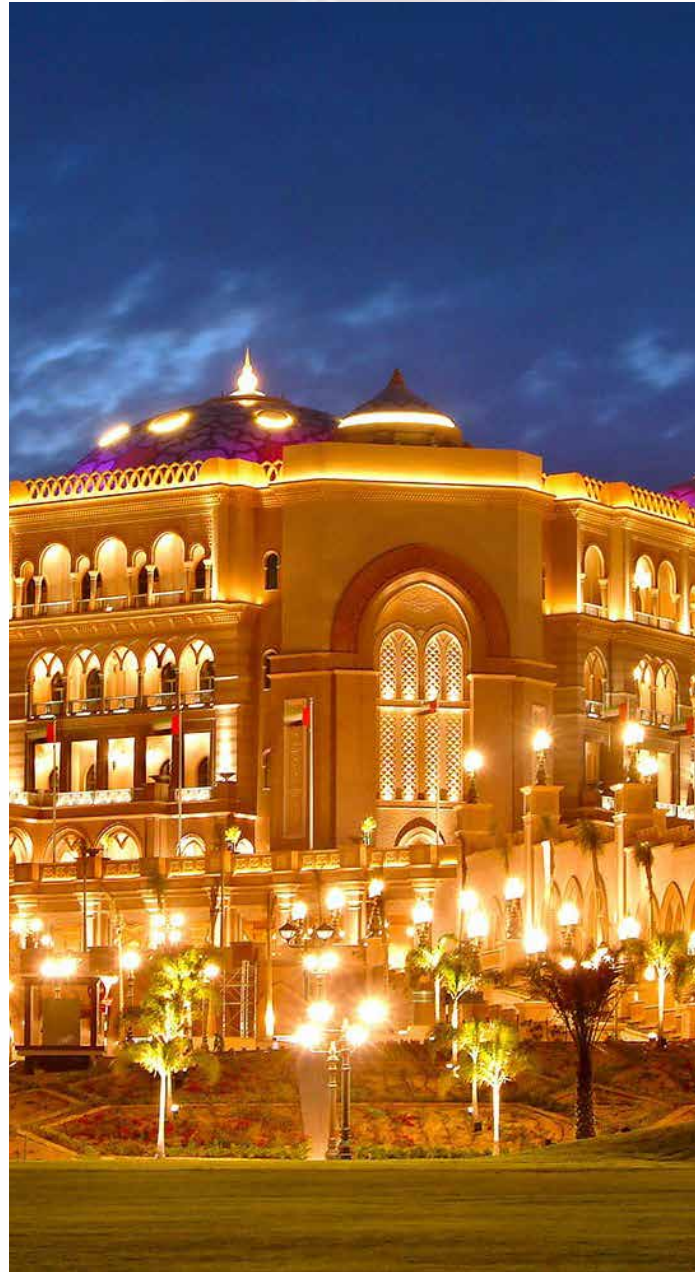

## Available Opportunities

This two days event is filled with the scientists, professionals from all around the globe. We request interested people to write us regarding the participation for this esteemed event.

## Conference Venue: Abu Dhabi, UAE

## Conference Sessions

- Molecular Medicine
- Molecular Diagnostics
- Molecular Genetics and Genomics
- Molecular Oncology
- Molecular Biomarkers and Diagnosis
- Cellular and Molecular Biology
- Molecular Pathology
- Molecular Evolution
- Advances in Molecular Diagnostics
- Prenatal Molecular Diagnostics
- Point-of-Care Diagnostics
- Clinical Diagnostics & Research
- Infectious Diseases
- Next-Generation Sequencing
- Immunogenicity Testing
- Metagenomics
- Stem Cell & Regeneration
- Clinical Chemistry
- Pharmacogenomics

## Who Attends

- Molecular Biologists
- Molecular Diagnostic Companies
- Molecular Pathologists
- Molecular Geneticists
- Molecular Oncologists
- Biotechnologists
- Bioinformaticians
- Clinicians
- Pharmacogenetists
- Genome surgeons
- Geneticists
- Immunologists
- Stem cell Developers & Researchers
- Students
- Research Scholars
- Scientists
- Pharma and biotech companies

# REMINISCENCE OF 2018

Be a Part and join us in  
Abu Dhabi, UAE for  
Interventional approach in the  
fields of Molecular Medicine  
and Diagnosis
