WELCOME TO STEM CELLS 2019

JUNE
2019
BERLIN

Hilaris Conferences welcome scientists and clinicians, investors, customers, legal experts, funders, regulators and learners interested in the field of stem cell, tissue engineering, regenerative medicine, gene therapy, biobanking, and biomaterial at Stem Cells Regenerative Medicine Conferences in Berlin Germany on June 13-14, 2019.

The Stem Cells 2019 conference with the theme "From Basic Stem Cell Research to Clinical Translation for Better Cure" will provide a platform to share advances in basic and clinical research; diagnosis and treatment; clinical and translational insights; policies and regulations; to address the present challenges; and any studies which provide insights into stem cell and regenerative medicine for the better cure of the patient.

The conference includes prompt keynote presentations, oral talks, poster presentations, and exhibitions. We look forward to welcoming you to Berlin.

Stem Cells 2019

CALL FOR SUBMISSION »

- Advances in Stem Cells and their Niches
- Stem Cells in Diseases
- Stem Cells in Regenerative Therapies
- Pluripotency and Reprogramming
- Repair and Regeneration
- Artificial Organ Transplantation
- Rejuvenation
- Stem Cell Therapy
- Stem Cell Genetics
- Hematopoietic Stem Cells
- Cancer Stem Cells
- Stem Cell Treatments
- Stem Cells in Disease Modeling and Drug Development
- Bone Marrow/Stem Cell Transplantation
- Scaffolds in Regenerative Medicine
- Stem Cell Culture and Bioprocess
- Computational Stem Cell Biology
- Technologies in Stem Cell Research
- Biobanking
- Biomaterials
- Clinical Trials and Regulatory Affairs
- Exploring New Trends in Stem Cell Research

IMPORTANT DATES »

- Early Bird Registration: **May 15, 2019**
- Abstract Deadline: **April 30, 2019**

Online Abstract Submission: <https://www.hilarisconferences.com/stemcells/abstract>

Online Registration: <https://www.hilarisconferences.com/stemcells/registration>

ABOUT HILARIS »

JUNE
2019
BERLIN

Conferences are not just about discussion, but to connect people with people, people with ideas, and people with opportunities. The key motto of **Hilaris Conferences** is to unite the Energy of Like-Minded Individuals to mould the future of research which will shape the future of the world. Diverse and innovative Conferences with plethora of research topics will provide everyone a unique learning and career building opportunities.

As the desire to learning will attract participants from all around the globe, Hilaris Congresses will provide a dedicated platform for the learners. Hilaris Meetings will provide a space to doyens of industry to connect with innovators, researchers and to set a B2B platform.

Hilaris Conference will offer a unique opportunity to share your innovative ideas, evaluate your research works, and promote the collaborative work through its networking sessions for a brighter future. Hilaris Meetings will create a foundation for researchers, learners in the journey of their lifelong quest for knowledge.

Hilaris Conferences with its effective and self-determined team promises to incorporate a healthier networking platform across the globe through its International Conferences, Technical sessions, Symposiums, Workshops, B2B Platform, Global Meetings & Expos. Hilaris conference will rewrite your brain with new and innovative ideas which will help you to boost your self-Esteem and confidence.

“Let Nobel Thoughts comes from all direction....”

WHAT TO GET FROM STEM CELLS 2019

JUNE

BERLIN

RESEARCHERS

Stem Cells 2019

Will provide a global platform for experts to share their innovative thoughts and will encourage international cooperation between industries & academia.

DELEGATES

Will provide Networking Opportunities to cultivate mutually benefited relationships and will be a platform where ideas and visions will be exchanged and enlightened.

YOUNG INVESTIGATORS

Will provide an opportunity to learners and young experts to share and discuss their vision with the experts. They can join as a learner and march forward as a leader.
