International Bioinformatics & Biomedicine Conference

Welcome Message

Outlook Conferences welcomes you to **International Bioinformatics and Biomedicine Conference** during September 26-27, 2019 at Chicago, USA. Which will bring together world leaders in their respective fields in the fascinating environment of Chicago, USA. Bioinformatics and Biomedicine Conference is to explore on Current Issues of BioImaging and BioSignals, Bioinformatics and Computational Biology , Biomaterials and Tissue Engineering , Bio Engineering & Biomolecular Engineering, Biomechanics and Mechanobiology, Bio-Micro/Nanotechnologies, Biomedical Sensors and Instrumentation, BioRobotics and Medical Devices, Bio-transportation, Biosensors and Bioelectronics, Engineering/Synthetic Biology, Medical Imaging and Signal Processing, Genomic Sequence and Genomic Sciences, Biomedical and Health Informatics, Biochemistry and Pharmacology .This event gives a chance for all the professionals to gain and share information on Biomedical Engineering . We do expect this conference will be an opportunity to meet and gather with colleagues from different countries and other parts of USA

- To facilitate opportunities for networking, collaboration and exchange of ideas with internationally renowned leaders in Bioinformatics and Biomedicine.
- To identify research and practice based innovations in optimizing Bioinformatics and Biomedicine.
- To debate gaps and priorities for sustainable development in optimizing Bioinformatics and Biomedicine.
- To discuss and debate the challenges and opportunities in the new era of optimizing Bioinformatics and Biomedicine.
- To identify opportunities for evidence-based practice in optimizing Bioinformatics and Biomedicine

We look forward to seeing you at USA on September, 2019....!!!

Best Regards
Organizing Committee

Conference Highlights

The Outlook Conferences brings you an immense opportunity to be a part of scientific acceleration to world class personalities, young scholars, scientific delegates and young scientists to join in this forum to utilize the expertise and novelties that brings a new era for innovations in the field of Biomedical Engineering which brings well versed scrutinizers at one place.

- BioImaging and BioSignals
- Bioinformatics and Computational Biology
- Biomaterials and Tissue Engineering
- Bio Engineering & Biomolecular Engineering
- Biomechanics and Mechanobiology
- Bio-Micro/Nanotechnologies
- Biomedical Sensors and Instrumentation
- BioRobotics and Medical Devices
- Bio-transportation
- Biosensors and Bioelectronics
- Engineering/Synthetic Biology
- Medical Imaging and Signal Processing
- Medical, Rehabilitation Robotics and Assistive Technology

For Abstracts Submission:

<http://www.outlookconferences.com/olcbbc-2019/abstract-submission.php>

Conference sessions will bring you the latest strategies, research, and best practices to improve outcomes through quality, safety and staffing.

Organizing Committee Members

Brij M. Gandhi

CEO and founder of Neo Biomed Services
Former Adviser, Govt. of India

Henry M. Sobell

Emeritus Professor University of Rochester
USA

Rita Casadio

Professor University of Bologna
Italy

Bing-Huei Chen

Fu Jen Catholic University
Taiwan

Dariusz Borys

Director of Digital Pathology Lab
Loyola University, Chicago,
USA

Kwang-Hee Lim

Professor, Daegu University
South Korea

Qiang Cheng

Associate Professor
Southern Illinois University USA

Sponsors and Exhibitors Information

Outlook Conferences Meetings are one of the leading international conferences around the globe. Game-changing developments, such as the deployment of new domain extensions, and the emergence of disruptive and creative business models are enabled by decisions taken at this platform and it's not just for techies! Representatives from the global business community, governments, industry insiders, and many other contributors whose work affects the Federation of the global Internet will attend. We encourage you to take advantage of this unique opportunity to participate as a sponsor. Choose a package that meets your particular marketing objectives, or talk with our staff about creating a marketing program that is uniquely yours.

Adding value to the Outlook Conferences experience while integrating your brand's products will not only showcase the authenticity of the brand, but will result in great, objective 3rd party recognition that will move the influencer needle. This is more than a marketing play. It's about creating experiences that will resonate long After your brand strikes its activations.

When your brand purchases a Sponsorship package, it is committing itself to delivering experiential relevance and value to thousands of industry influencers including press, creative's and their millions of collective followers, who have come to expect nothing less from Outlook Conferences and its partners. Through activations, product integration, social media and logo placement, your brand has the tools to educate, entertain and engage a captive audience on what it is doing to make a difference in the global Scientific Community. So put your best foot forward. Visualize this partnership through the eyes of our attendees...!!!

About Chicago, USA

The city is traversed by the Chicago and Calumet rivers. Chicago's extensive parklands, including 3,000 hectares of city parks attract an estimated 86 million visitors annually.

As a multicultural city that thrives on the harmony and diversity of its neighborhoods, Chicago today embodies the values of America's heartland-integrity, hard work and community and reflects the ideals in the social fabric of its 77 distinct neighborhoods.

Chicago is racking up world-class accolades.

Visit the Second Tallest Building in North America at the Willis Tower and step out onto The Ledge, a suspended glass box at the Skydeck Chicago observatory that is more than 1,000 feet in the sky.

Explore Chicago Attractions

This is a city to be toured-whether by foot, bike, trolley or even Segway.

- The Chicago Riverwalk is a socializing hotspot with jaw-dropping city and river views.
- Navy Pier is for the kid in all of us (climate-controlled ferris wheel included).
- At world-renowned Millennium Park, capture the perfect selfie at Cloud Gate (aka "The Bean"), and revel in the virtual reality of Crown Fountain.
- Take the Chicago Architecture Foundation Center River Cruise Aboard Chicago's First Lady tour
- Gasp at the stature of Mies Van der Rohe skyscrapers, and tour the living museum that is Frank Lloyd Wright architecture.

The beauty of Chicago lies not only in its magnificent architecture, but also in the city's vast preserved green and open spaces. Chicagoans have over 580 parks and 8,300 acres of green spaces at their disposal. With beaches, ice rinks and bike paths, there's no shortage of outdoor recreation for Chicagoans.

Come choose your adventure.
