

FUTURE FOOD ASIA 2019

3rd and 4th June Matrix @ Bioplois, SG

Future Food Asia is back for its third year with more exciting start-ups and speakers. Join us on 3rd and 4th June to be part of **Asia Pacific's premiere AgriTech and FoodTech summit**, as we recognize the innovators and entrepreneurs tackling one of our century's most pressing challenges: **the Future of Food**.

In the past 2 years we have hosted **24 early stage innovations** which have gone on to create waves in the AgriFood industry and came from over **10 different countries** incl. **Australia, China, HK, India, Israel & Korea**. While in the previous editions we awarded 5 awards each year totalling US\$250K annually, this year we take it up a notch with **awards worth US\$450K**. Every edition has also welcomed **220+ attendees** from across the globe, representing investors, entrepreneurs, MNCs, & governments.
