Madrid, The capital city of Spain – the largest city as well. It stands third largest country after London and Berlin. Madrid is especially known for its artistic heritage and the cultural vestiges of ancient and historic times. As it is situated in the centre of Spain even it is geographically the centre of the city called Puerta del Sol and still follows the dynasty heritage of King in the Royal Palace of Madrid. It is surrounded by mountains and natural parks and therefore Madrid is connected to all major cities of Spain by train, road or air. Madrid has loads of interesting points which delivers both artistic, culture and modern vestiges. It is full of wonderful and great monuments like the Plaza Mayor or the many statuettes, the royal palace, and for artistic flavoured people, the museums Del Prado, Reina Sofia or Thyssen have some of the most fantastic collections of famous Spanish painters like Velazquez, Goya, Picasso or Miro.
