

International Conference on  
**CHEMICAL BIOLOGY  
AND BIOLOGICS**

November 27<sup>th</sup>-28<sup>th</sup>, 2019  
Kuala Lumpur, Malaysia

Theme: Exploring Recent  
Outcomes in Chemical Biology  
and Biologics

## About Chemical Science 2019

Chemical Science 2019 provides a vibrant platform for sharing knowledge among the chemical biologists focusing on the latest advancements in chemical biologist and biologics. The workshops are designed for academia and industrial benefits who want to have updated knowledge on management and treatment techniques.

The Conference gathers experts in the fields of chemical biology and Chemists in the world to share their experience and guide participants to explore advances in chemical biology techniques.

## Abstract Submission Topics

- Structure based drug design
- Molecular modeling
- Bioorganic & Medicinal Chemistry
- Cellular Reprogramming
- Redox Biology
- Proteins and peptides
- Nucleotide chemical biology
- Molecular optogenetics and synthetic biology
- Drug and target discovery
- Spectroscopy
- Analytical technologies
- Biophysical technologies
- Nuclear Chemistry/Radiochemistry
- Molecular modelling
- Structure based drug design
- Synthetic methods
- Signal transduction modulator
- Receptor agonist and antagonist
- Natural Products
- Carbohydrates
- Lipids
- Proteins and peptides

Abstract submission opens: **February 20, 2019**

Registration opens: **February 20, 2019**

Deadlines for Abstracts: **October 01, 2019**

Deadlines for Registrations: **October 05, 2019**

# Call for Abstracts

The chemical sciences 2019 invites abstracts related to the new scientific research in all the fields of Drug targets, Molecular Modelling, Redox biology its related aspects. Registrants are invited to submit an abstract for consideration for oral and poster presentation. In general we encourage more specific to the current research fields representing innovation and recent technologies. Abstracts received will be reviewed by scientific committee from aspirants and categorized as speaker talks and poster presentations.

## Why to join ?

- Meet Experts & Influencer Face to Face
- Networking Opportunities
- Learning In a New Space
- New Technologies
- Greater Focus
- Have Energy of Like-Minded Individuals
- Investing on Yourself & finally have Fun!

## Entrepreneur conclave

The conclave intends to encourage entrepreneurs and provide opportunity to showcase and connect with global scientific community and industry.

## Round table Discussion

The right conference can be a game changer for your research and professional career. More importantly, the Round table conversation brings the experts networking and create the goldmine of opportunities.

## Workshop/ Interactive Sessions

Workshop sessions involve extensive interaction between presenters and participants around an idea or hands-on experience of a practice. These sessions may also take the form of a crafted panel, staged conversation, dialogue or debate – all involving substantial interaction with the audience.

## Develop Networking with.....

- Industry leaders
- Product scientists
- Development managers
- C-level executive
- Academicians
- Chemical Science Research Departments

## Unique Services

- University Promotions
- Organizational collaboration
- Recruitment Drives
- Technical Trainings
- Technical Workshops at your Universities
- Career development sessions
- Post Conference Networking
- Scientific Success sessions
- Exhibitor Talk / Sponsor Talk
- Themed Paper Presentations
- Focused Discussions
- One-Day Registration
- Business meetings / one to one meetings
- Webinars
- Customised Conferences

## CALL FOR NOMINATIONS

BEST ORAL PRESENTATION AWARD

APPLY FOR LARIX GRANTS

BEST POSTER PRESENTATION AWARD

Send your proposals to [info@larixconferences.com](mailto:info@larixconferences.com)

## GUIDELINES

### For Keynote/ Speaker

- All presentations should be in Microsoft PowerPoint format.
- Presentations as well as all audio visual material should be presented in only in English.
- Presentations should be submitted to Organizer at least 2 hours before the session in USB memory stick.
- Presentation Duration: 20 – 30 Minutes.
- Each Talk will be followed by Q & A.

### For Poster Presenters

- Poster Dimensions: 2x3 M
- Font style: Arial/Times New Roman in a reasonable font size
- Contents: Poster should include Overview, Introduction, Methods, Results and Conclusions
- Presentation Duration: 10 – 15 Minutes
- Best Poster will be Accredited with certificate & official letter

### Benefits of attending in Teams:

1. Recharge and Rethink
2. Empower
3. Prepare the team for future
4. Unique team building experience
5. More learning opportunities for your team

For more details regarding the team discounts mail to the program manager

### Visa Information

- Only registered clients will get official letter of invitation.
- Attendees need to finish Registration & Authenticated information submission to get official letter of invitation [i.e., Passport (Scan copy), DOB, Mobile Number, Physical Address and Photograph].
- LARIX do not involve in processing VISA, we assist only by providing official letter of invitation.
- Contact program manager for more information.
- Official Letter of Invitations will be provided only to attend the conference.

### Explore Kuala Lumpur, Malaysia

Kuala Lumpur is the capital of Malaysia. Its modern skyline is dominated by the 451m-tall Petronas Twin Towers, a pair of glass-and-steel-clad skyscrapers with Islamic motifs. The towers also offer a public skybridge and observation deck. The city is also home to British colonial-era landmarks such as the Kuala Lumpur Railway Station and the Sultan Abdul Samad Building.
