ABOUT CONFERENCE

Welcome to the official website of International Conference on Multidisciplinary Innovation in Academic Research (ICMIAR-19). It is going to be held on 17th - 18th May, 2019 in Kolkata. ICMIAR-19 is being organized by Institute For Engineering Research and Publication (IFERP). To provide an opportunity to research scholars, delegates and students to interact and share their experience and knowledge in technology application. ICMIAR-19 will provide an excellent international forum for sharing knowledge. The aim of the Conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet the share cutting-edge development in the field. An engineer is a professional practitioner of engineering, concerned with applying scientific knowledge, mathematics, and ingenuity to develop solutions for technical, societal and commercial problems. Therefore, the ideal engineer is a composite and to operate at the interface between science and society.
