

Confederation of Indian Industry

3rd Edition GreenPro SUMMIT - 2019

29 & 30 May 2019

Hyatt Regency, Pune

Green Products, Materials and Technologies contribute significantly for enhancing the performance of Green Buildings and Factories. Selection and purchase of credible green Products, Materials and Technologies is critical.

GreenPro – a lifecycle based EcoLabel enables the consumers to choose the right and credible Products, Materials and Technologies. More than 550 GreenPro labelled products are available in the market.

CII is organizing the 3rd edition of GreenPro Summit to:

- Create awareness on green purchasing and the benefits
- Increase the demand for Ecolabelled products and materials in construction and manufacturing sectors
- Facilitate green product market transformation in the country
