## 'APRIL IS THE CRUELEST MONTH'

An evening of poetry and performance with

Saif Mahmood, Nabina Das, Mangalesh Dabral  
&  
Fouzia Dastango and Saneya

**27th April 2019, Saturday, 5pm onwards**

The event celebrates utterances that could be reflections of present times, a contemplative rite of passage, a meditative dismemberment of social, political and linguistic constructs, welcoming poets and performers to manifest their thoughts at this threshold, when seasons are turning and moods shifting.

Note: The collateral event is part of the ongoing retrospective exhibition of Arpita Singh. A walk-through of the exhibition begins at 4pm on Saturday, open for all.

Refreshments will be served after the recitals.
