# **Program Announcement**

#### Venue

Kyoto, Japan

#### **Important Dates**

Abstract submission opens: September 24, 2018

Registration opens: September 24, 2018 Early bird registration: November 20, 2018

on spot registration: July 26, 2019

#### Accommodation

A large number of rooms have been reserved. Discounted room rates for Cardio 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

#### **Exhibition and Sponsorship**

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Cardiology and Medicine.

### **About Kyoto**

Kyoto (also Kyōto) is former capital of Japan and for more than a thousand years the centre of traditional Japanese culture and is still considered the Heart and Soul of traditional Japan. It is located 315 miles southwest of Tokyo and 25 miles east of Osaka. Several of the historic temples and gardens of Kyōto were collectively added as a UNESCO World Heritage site in 1994. Kyoto is a sophisticated blend of the ancient and the modern, an urban environment where museums, four star restaurants and active entertainment venues flourish alongside temples, small shops and quiet neighbourhoods.

Kyoto is what most travellers' dream of when envisioning Japan. This centre of innovation has a reputation for fostering leading research and the development of high technology firms.
