## About National Management Games (NMG)

NMG is a unique platform for Corporate Managers to experience the thrill of Managing Business in competitive mode. It is one of the most awaited and prestigious annual event based on Business Management Simulation, organised by AIMA. The participants get exposed to the intricacies of running a company with focus on resource management, market trends, cost analysis, product positioning, production planning, inventory control etc. The winners of NMG represent India in the Asian Management Games (AMG).

- A team of maximum 2-3 members participate in preliminary round on both the days.
- Functional heads are appointed by the team to adopt the roles of CEO, COO, CFO or CMO.
- Each team represents an enterprise.
- A Hypothetical business case is presented to each team with economic data and financial reports.
- Each team works out of strategy in operations, marketing, finance and product development with an aim to reach the pre-set goal.
- This is done using AIMA's sophisticated software, 'Chanakya' that simulates an economic environment for all the teams.

## How To Enter The NMG?

A team of maximum 2-3 members from different functional areas can be nominated by the Corporate and Institutional faculty. Multiple teams can also be nominated.

1. Send the enclosed Registration Form to AIMA or access website <http://simulation.aima.in>
2. All Registration Forms must accompany participation fee by DD/Cheque favouring "All India Management Association" payable at New Delhi.
3. Participant Manual (Soft Copy) will be sent to familiarise participants with Management Simulation on requirement basis on receipt of participation fee.
4. Participants nominated for the competition may be changed before enrolling for registration to prelim round. No change is permitted after the team is registered in the prelim round.
5. Decisions of the Games Administrator during competition will be final and binding on all participating teams and sponsoring organisations.

## Your Takeaways

- Learning by Doing
- Understand the working relationships in management functions
- Hone operative and strategic decision making skills
- See the financial implications and impact of decisions taken by various functional areas
- Understand the importance of team work

## Competition Format

- All the participating teams are required to report at the venue at 8:30 am (sharp) for registration. The teams registered will participate in the Prelim Round of the two days and compete to enter the Regional Round for the third day.
- Only qualifying teams will stay for the Regional Final; it is a non-residential programme. However, lunch, tea and snacks will be served during the Competition.
- Participants must bring calculators and at least two laptops in a Team. Each laptop must have administrator rights to remove any settings and have Google Chrome & Mozilla Firefox as browser. Each laptop must also be capable of connecting to local wi-fi network.
- Organisers will not be liable to entertain any requests for providing laptops at the venue.
