About Brisbane

Brisbane is the capital of the state of Queensland with a population of over 2 million, making it the third-largest city in Australia. Brisbane is one of the oldest cities in Australia; it was founded upon the ancient homelands of the indigenous Turrbal and Jagera peoples and named after the Scotsman Sir Thomas Brisbane, the Governor of New South Wales.

Today, Brisbane is well known for its distinct Queensland architecture which forms much of the city's built heritage. The city is a popular tourist destination, serving as a gateway to the state of Queensland, particularly to the Gold Coast and the Sunshine Coast, popular resort areas immediately south and north of Brisbane, respectively.

The City offers a discovery in every direction. Home to over 1000 stores, including the largest range of flagship boutiques in Queensland, it is the state's premier shopping destination. The CBD is also a food and drink lover's paradise, with everything from burger joints and riverside bistros, to laneway bars and hidden cafes, as well as the most Good Food Guide-awarded venues in Queensland.
