**Stuart Mcfadden**  
Rockschool UK Examiner

Stuart is passionate about music, throughout his musical career he has worked in an array of posts linked to teaching music within the music industry for over 15 years in various roles and positions.

He has lectured and successfully delivered a National Diploma in Music for over 6 years, teaching subjects such as Music Theory, Aural awareness, Improvisation, Pop Music and Big Band performances etc.

Stuart himself is a guitarist that has taught for many years with an impressive 100% exam success rate.

Stuart has huge success in the UK with his school; teaching and supporting local musicians through workshops and performances.
