

About Conference

Food Safety Meet 2019 is a leading premier forum and an International Conference dedicated to Food Safety and Health with the theme “**Highlights of latest Advancements in Food safety research**”

Food Safety Meet 2019 has been designed to extensively explore a variety of scientific and Industrial aspects of Food Safety. Food Safety Meet 2019 will be an international event focusing on the core knowledge and major advances in the ever-expanding field of Food Science & Nutrition by attracting experts on a global scale. This year, we also hope to bring together experiences from different countries and exchange their views, reinforce knowledge base, and learn new concepts. With the participation of outstanding international experts, we hope productive discussions would stimulate new creative ideas to translate new discoveries into Food safety field.
