

About Conference

Pediatrics 2019 will focus on the latest and exciting innovations in all areas of research, offering a unique opportunity for Pediatricians across the globe to meet, network, and perceive new scientific interventions. The concept of this congress and program was developed for Pediatricians' working in Primary and Secondary Care, as well as for specialists in the diverse areas of Pediatrics, Infectious Diseases, Pediatric Surgeons, Family Medicine Doctors, General Practitioners, Nurse Practitioners, Researchers and Policy Makers.

We also welcomes the participation of Presidents, CEO's, Delegates and industrial executives from Pharma and Health care sectors making the congress a perfect platform to network, share views and knowledge through interactive keynote, plenary, poster and B2B discussions.
