

# About Conference

Join us for the  
**Epigenetics Congress 2019**  
Update your skills, enhance your  
knowledge base, and broaden your  
horizons-all in one place!  
Theme: Exceeding the Vision in the  
Field of Epigenetics and Molecular  
Biology

**Epigenetics Congress 2019** typically  
incorporate lectures, paper, poster  
sessions, and panel discussions with  
prominent international experts  
and scholars. We also feature  
product exhibitions, workshops, and  
student research competitions that  
generate networking opportunities  
for all attendees. We look forward  
to collaborating with you at our  
conference!

6<sup>th</sup> World Congress on

## Epigenetics and Chromosome

November 11-12, 2019 | Amsterdam, Netherlands

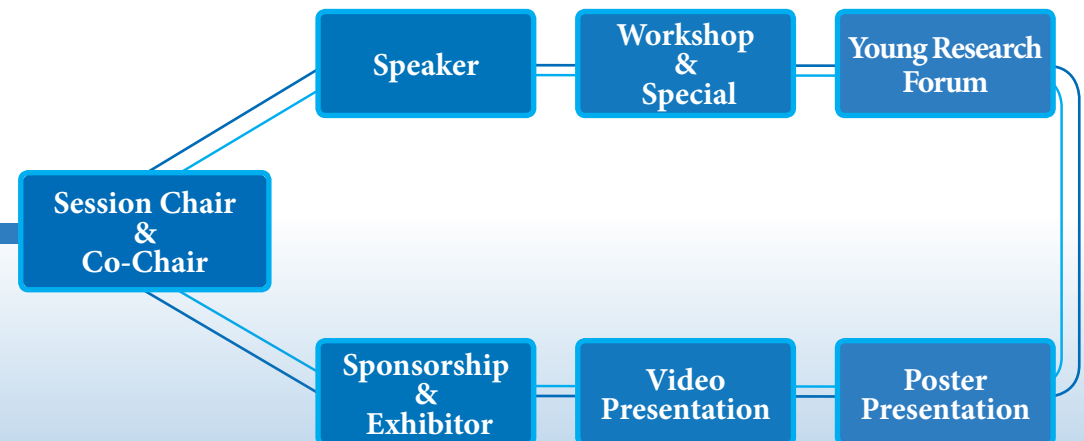

# Event at a Glance

| Day 01 November 11, 2019             | Day 02 November 12, 2019                       |
|--------------------------------------|--|
| Session                              | Session  |
| Registrations                        | Keynote Forum                                  |
| Opening Ceremony                     | <b>Session 1</b>                               |
| Keynote Forum                        | Epigenetic Disorders                           |
| Group Photo                          | Epigenetic in Aging                            |
| Session 1                            | Epigenetic Therapy                             |
| Animal Epigenetics                   | <b>Session 2</b>                               |
| Behavioural Epigenetics              | Epigenetics                                    |
| Cancer Epigenetics                   | Epigenetics and Medicine                       |
| Session 2                            | Epigenetics in Nervous System                  |
| Chromatin and Chromosome Dynamics    | Genomes and Epigenomes                         |
| Chromosomal Evolution and Speciation | Human Cognition Epigenetics                    |
| Chromosome Abnormality               | Nutriepigenomics                               |
| Chromosome Biology in Agriculture    | Plant Epigenetics                              |
| Computational and System Genetics    | Population and Evolutionary Chromosome Biology |
| DNA Methylation                      | Young Research Forum                           |
| Young Research Forum                 | Poster Presentation                            |
| Panel Discussion                     | Panel Discussion                               |
| Day Concludes                        | Day Concludes                                  |

## Available Opportunities

This two days event is filled with the scientists, professionals from all around the globe. We request interested people to write us regarding the participation for this esteemed event.

## Conference Venue: Amsterdam, Netherlands

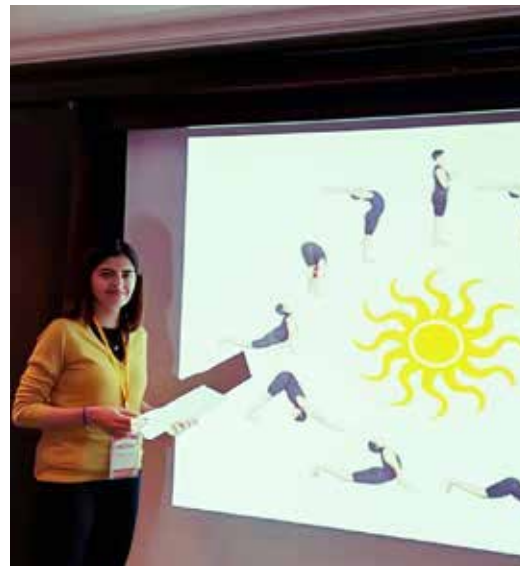

## Conference Sessions

- Animal Epigenetics
- Behavioural Epigenetics
- Cancer Epigenetics
- Chromatin and Chromosome Dynamics
- Chromosomal Evolution and Speciation
- Chromosome Abnormality
- Chromosome Biology in Agriculture
- Computational and System Genetics
- DNA Methylation
- Epigenetic Disorders
- Epigenetic in Aging
- Epigenetic Therapy
- Epigenetics
- Epigenetics and Medicine
- Epigenetics in Nervous System
- Genomes and Epigenomes
- Human Cognition Epigenetics
- Nutriepigenomics
- Plant Epigenetics
- Population and Evolutionary Chromosome Biology

## Who Attends

- Professors, Deans & Directors of Biology Universities and Institutes
- Scientists
- Biomedical companies
- Pharmaceutical companies
- Business Entrepreneurs
- Public wellbeing experts
- Organization working in
- Genetics
- Genomics and Proteomics
- Bioinformatics
- Molecular Biology
- Medicine
- Organic Chemistry
- Natural Science field
- Stem cell biology
- Cancer
- Oncology

# REMINISCENCE OF 2018

Be a Part and join us in  
Amsterdam, Netherlands  
to Promote the Value of  
Epigenetics and Chromosome

**Contact Us:**  
47 Churchfield Road  
London, W3 6AY, UK  
Tel: +1-201-380-5561
