## Venue: **Rome, Italy**

*A potent mix of haunting ruins, awe-inspiring art and vibrant street life, Italy's hot-blooded capital is one of the world's most romantic and charismatic cities.*

Rome is without doubt one of the most beautiful cities in the world; every year millions of tourists come from around the world to admire the treasures and masterpieces of Roman art and architecture. Rome is an enchanting city where you'll discover a romantic blend of culture and history spiced up with a vibrant street and nightlife. Add in to the mix delicious gastronomy and excellent Italian wines, and you have an inspiring and beautiful destination.

Rome, the Eternal City, is the capital and largest city of Italy and of the Lazio region. Once the capital of an ancient republic and empire whose armies and polity defined the Western world in antiquity and left seemingly indelible imprints thereafter, the spiritual and physical seat of the Roman Catholic Church, and the site of major pinnacles of artistic and intellectual achievement, Rome is the Eternal City, remaining today a political capital, a religious centre, and a memorial to the creative imagination of the past.
