ABOUT HYDERABAD MARKET

Sai Solutions has been able to successfully reach the Regional Trade Associations, Traders and the Target Visitors of Karnataka, Kerala, Tamil Nadu in the past editions. Telangana and Andhra Pradesh plays a vital role in the field of Sound and Light. Hyderabad, the city of Nizams, has been a symbol of royal grandeur and opulence. Royal Weddings, Major Events & Stage Shows take place in massive numbers as there are ample number of grand venues & sufficient Vendors in Hyderabad. This city plays a hub role for the entire state of Telengana, as a result the Sound & Light Rental and Event Management Industry is extensively flourishing in this part. Due to the recent IT boom in Cyberabad, the growth of Night Life, Events, Shows, Live Bands have spread across the place and serves as a larger potential invite to the Sound, Light and Music Industry Market. Telangana and Andhra Pradesh is occupied by people who are staunch in their ways of worshipping their gods and celebrate festivals in a grandeur manner, which brings the large number of House of Worship Centres in close connect to the Industry. 100 plus Satellite TV channels, Cable channels, Broadcast Stations, Internet Radios operate from Hyderabad. The Tollywood, Film Industry in Hyderabad, stands No.1 in Indian Cinema by creating more number of films in a year. The Studio & Production needs is obviously growing more when compared with any other parts of India. Moreover, the connectivity to the neighboring states and regions lies in close proximity and ranges only between 2 to 6 hours of travel which paves way to the visitors to gather in large and plan the visit with ease. Having multi-linguistic crowd settled in Hyderabad, there will be no language barriers between the exhibitors & the clients.

4th EDITION TESTIMONIALS

"Out of the four successful Editions of Prowave that we had participated, this Edition was THE BEST. Excellent Crowd with good mileage."

Mr. Sumit (SHIVA SYSTEMS)

" We are very Happy to see Prowave rising in flying colors every year. Our participation in Kerala & Bangalore editions gave us a good response. "

Mr. Dipesh (MX MDR TECHNOLOGIES)

" ESD Lumen Series (LED Wall) was launched for the first time in India in this Expo. We were surprised by the massive response. Great show. Keep it up. "

Mr. Shabeer (SHOWTECH INDIA)

" SoundGlitz takes part in Prowave Expo for the last couple of shows. Every show is gaining momentum in terms of footfall & ROI. This should be a recurring event every year at Bangalore. "

Mr. Siddarth Patwa (SOUNDGLITZ)

" Very Good Business for upcoming Brands like us. All Professional crowd. Already booked for Hyderabad show also. "

Mr. Ramesh (BHERAV AUDIO)

" All the stocks were sold out in the expo. Got huge booking orders. Next year, we will take a bigger stall. "

Mr. Amit Gogawale (SOUND WAVES ENTERPRISES)

" We launched two new Brands Radissons & Leo-Leon Lights. Happy to see the result. Extensive reach for the first show itself. Already planned for Hyderabad & Kerala shows."

Mr. D.R.Arjun (SRI VENKATESHWARA ELECTRICALS)

WHAT OUR CLIENTS
ARE SAYING

ABOUT KERALA MARKET

Kerala is a state of enthusiasm and prosperity. They never forget to add grandeur to their events or festival celebrations. Professional Sound & Light market has been prominent active through associations & local bodies. Kochi, the largest & most populous city of Kerala, serves as a major hub for this Industry. Kochi is known as the Financial, Commercial & Industrial Capital of Kerala. Big Fat Weddings, Live DJ Events & Stage Shows take place in massive numbers as there is an ample number of grand venues & sufficient Vendors in Kochi. The fun-loving & thrifless nature of the Keralites makes the Sound & Light Rental and Event Management Industry, extensively flourishing business in " God's Own Country". Malayalam film industry is the fourth biggest film industry in India. The Studio & Production needs are obviously growing more when compared with any other parts of India. Moreover, the connectivity to the neighboring states and regions lies in close proximity and ranges only between 2 to 6 hours of travel which paves the way to the visitors to gather in large and plan the visit with ease. Having a 94% literacy rate, Kerala and its market will be a great platform for the exhibitors to step on and continue their establishments. In 2018, ProWave Expo had already set its success mark in Kochi when its 3rd Edition was held during 15- 17 November at ADLUX, Angamaly, Cochin by gathering nearly more than 6500 quality trade visitors. Having great association support from LSWAK (The Light and Sound Welfare Association of Kerala), ProWave Expo continues its path to organize the 6th Edition during 15-17 October 2019 at the same venue (ADLUX Convention Centre) well before the seasonal business dates of the localities. This edition is all set to gather a minimum of 10,000 + professional visitors form entire Kerala and bordering cities & towns of Tamil Nadu & Karnataka. The entire statistical graph of ProWAVE Expo will be outnumbered in terms of growth & returns in this Edition.in Hyderabad, there wil be no language barriers between the exhibtors & the clients.
