

MakeLearn and TIIM International Scientific Conference is organised by the International School for Social and Business Studies, Slovenia, Slovenia, Maria Curie-Skłodowska University, Poland, and Kasetsart University, Thailand in cooperation with other international partners. The conference takes place in May, each year in a different European country.

MakeLearn, Conference on Management of Knowledge and Learning encourages sharing of most recent developments in the fields of management and management of knowledge. By including individuals from major regional businesses it also encourages discussion and the exchange of knowledge between academia and economy. Although the general themes of the conference remain the same, each year the focus of the conference is adapted to regional and global findings, occurrences and needs of the time.

TIIM Technology, Innovation and Industrial Management International conference promotes the exchanges, discussion, and dialogues on how to manage industrial operations and organisations in more innovative, efficient, and productive manners. The sustainable development and the continuous improvement as a result of technological applications and organisational innovation are the focal points of the conference.
