

CALL FOR PAPERS

International Conference New Perspectives in Science Education
9th Edition – Florence, Italy – 19-20 March 2020

The 9th edition of the International Conference **New Perspectives in Science Education** brings together experts from all over the world to share findings, expertise and experience on innovative science teaching and learning solutions.

The conference is also an excellent opportunity for international networking and for sharing results achieved in innovative science projects and initiatives.

Deadline for [submitting abstracts](#): 22 October 2019

All accepted papers will be included in the Conference Proceedings published by **Filodiritto Editore** with **ISBN** and **ISSN** codes. This publication will be sent to be reviewed for inclusion in *Conference Proceedings Citation Index* by **Thomson Reuters (ISI-Clarivate)**. The publication will also be included in **Academia.edu** and indexed in **Google Scholar**.

Oral, poster and virtual presentations will be available.

For further information, please visit the [conference website](#) or contact us at science@pixel-online.net

We wrote to you because we think your institution and your staff members could be interested in our initiatives. If **you do not want to receive our messages in the future** please inform us by answering this message with "Unsubscribe" in the object.
