INT-EXT CONNECT

2018

Int-Ext Connect is being organised with the support of Times of India which is the most unique platform for India's top Architects to explore their new and innovative ideas to the consumers. Various topics like Smart City, Modern India, Architecture journey in India are few to pen down, have been discussed through panel which is very beneficial for the common man to turn their dreams into reality. The valuable exhibitors will have a chance to get in touch with the renowned architects and share their new launches. Architect fraternity has a unique expertise in the areas both of new builds and home renovations. Their vision in designing various projects such as smart cities, Industrial Buildings, Roads and Bridges, Parks and other recreational sites will go a long way in building a Smart Developed Nation.

Int-Ext Connect has become a network between architects and various business personnel which gives the opportunity to explore their business in an open forum.
