ABOUT INTERPRINT EXPO

Fifth edition of **Interprint Expo 2020** is going to kick start from **6-7-8 March 2020**, Ludhiana (Punjab). The objective of the Expo is to reflect the market's evolutionary path driven by new needs, competition, technology, channels and other developments. The Exhibition will have a special focus on the integration of processes in Printing and packaging and its supply chain as this will eventually lead both Industries to claim market leadership and turning India to a Printing and Packaging hub.

Interprint Expo-2020 will be the premier exhibition for the printing and packaging industries, raising awareness and augment Indian Printing and Packaging capabilities, spurring both Industries to new heights. The Exhibition will present excellent opportunities for the Industries to evaluate its investing decisions in Printing and Packaging. It is indeed a one- stop purchasing platform which provides printing, packaging & labels buyers with integrated access to the whole

printing and packaging industry chain and therefore effectively links printing / packaging producers, end users, equipment manufacturers and materials suppliers together.

The Expo will provide a unique platform for the buyers and sellers of Pre-press, In-press, Post press, Finishing, Converting, Digital & Signage and Packaging Machines. An excellent forum to deliberate and explore for joint ventures and exchange of technological know-how with leading manufacturers from all over the country.

While, time-tested and traditional Colour Printing, Packaging, Post-press and finishing shall continue to be the centre stage, Digital & Signage will be visitor pullers. This show will provide 360 Degree view of the Graphics Arts Industry. However, indigenously designed, devised and produced world class equipment & machinery will highlight the Show
