

EARTH SCIENCE 2019

Global Summit on

EARTH SCIENCE AND CLIMATE CHANGE

November 26-27, 2019 | Lisbon, Portugal

Invitation

Dear Colleagues,

Conference Series LLC Ltd. is delighted to welcome you to Lisbon, Portugal for **Earth Science 2019**.

The conference will focus on “**Advanced Revolution in Earth science and Fighting the Climate change**”. We are confident that you will enjoy the scientific sessions of this upcoming conference.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Earth Science Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to see you in Lisbon, Portugal this November

Sincerely,

Earth Science 2019

Organizing Committee

What is Earth Science 2019 ?

Conference Series LLC Ltd welcomes all the participants to its **Global summit on earth science and climate change Conferences Global Earth science** during **November 26-27, 2019 Lisbon, Portugal** which focuses on the theme Advanced Revolution in Earth science and Fighting the Climate change. Global Earth Science 2019 provides an excellent platform to interact with eminent Earth science, climate change and future science technology professionals in the field to create a network for collaborations and partnerships

Conference Series LLC Ltd organizes over 3000+ Global Events with over 600+ Conferences, 1200+ Symposiums and 1200+ Workshops on Medical, Pharma, Engineering, Science, Technology and Business.

Importance and scope

Earth Science and Climate change 2019 Conference reason for existing is to fill your head with the information you can utilize: thoughts, new patterns, and astonishing creativity. Our emphasis is on feasible Development and New Technologies, which we accept are primary to the achievement of individual associations just as our urban communities, states, countries, and world. Participants come to Earth Science Conference to gain from specialists in their locale and leave

- Earth Science Conference will be a multidisciplinary assembling and present of territories, for example,
- Earth Science, Climate Change, Space Research,
- New Technology's, training and approaches.
- The gathering of Scientists, understudies and analysts from all edges of the globe, meet up to talk about future science and Technology.

The scope of earth science is to promote the advancements in the fields of earth sciences and to discuss measures to tackle climate change, at an international level and also to disseminate the excellence in research to the global community. Earth Science is the

study of the Earth and its neighbors in space. It is an exciting science with many interesting and practical applications. Many different sciences are used to learn about the earth, however, the four basic areas of Earth science study are: geology, meteorology, oceanography and astronomy.

- Earth sciences graphics software
- Environmental geoscience
- GEO-LEO (GEO Library Experts Online)
- Glossary of geology terms
- List of geoscience organizations
- List of Russian Earth scientists
- List of unsolved problems in geoscience
- Making North America (2015 PBS film)
- Nano geoscience
- Science tourism
- Structure of the Earth

Benefits of attending Climate Change Conference:

- Build Strategic Business Connections
- Gain New Insights
- Collaborate with the leaders in the fields of Climate Change
- Networking events
- Strategy exchange sessions
- Specialty Exhibit Areas- Companies often have tools to display that we haven't seen yet
- The focus and energy of Like-Minded Individuals
- The Serendipity of the Random Workshops
- Lightning Sessions
- Market Debuts

Why to Attend

Earth Science and Climate Change 2019 is a prestigious event which explores the technology to showcase novel technologies from lectures, panel discussions, debates by world renowned experts, who will discuss the latest advances and research in Earth system sciences and climate change

Access to the latest climate change developments –up to 100+ peer reviewed paper presentations

Network with 100+ earth scientists from around the world

Commercial opportunities - a technical exhibition will be an integral part of conference programme

Accompanying workshop and technical visit

Who Will Attend?

Climatologist, Meteorologist, Geologist, Environmental researchers, Hydrologist, Marine biologist, Oceanographer, Ecologists, Chemical researchers, Geo Scientists, Environmental engineers, Waste management researchers, Earth science association, Young research forum Geophysicists, Geological Associations and Societies Sustainability Strategists, Business Entrepreneur.

Major Sessions

Earth Science
Earth Pollution
Pollution Treatment
Climate Change
Global Warming
Climatology
Ecology and Eco systems
Climate change & Sustainability
Marine geosciences
Earth science & technology
Meteorology
Renewable Energy
Climate Change Mitigation
Hydrology

Supporting Journals

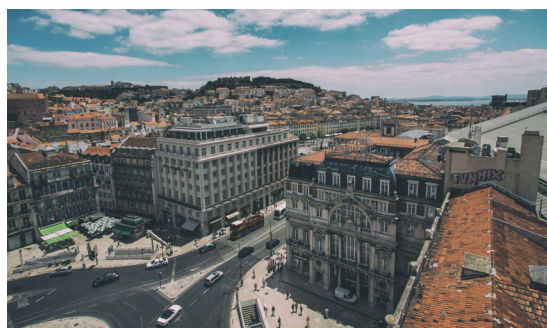

Journal of Earth Science & Climatic Change
Journal of Climatology & Weather Forecasting
Journal of Environmental Analytical Chemistry

Host City

During WWII, Portugal's capital city became known as a capital of intrigue and espionage, filled with both Allied and Axis agents roaming freely through the city's atmospheric cobblestone streets. Because Portugal stayed neutral during the war, the port city was filled with not only spies but exiled European royalty, wealthy Jews, escaped POWs, black marketers and refugees—all watching and being watched.

You can still imagine that wartime intrigue as you wander the streets of this classic, old-fashioned city. Somehow gorgeous, coastal Lisbon keeps its old-world charm in a time when other cities seem to focus blindly on modernization.

As one of the oldest cities in Europe, Lisbon celebrates its rich history and culture. It also offers a picturesque ambiance that visitors will easily get drawn into, with amazing classic architecture (a few sites listed below) and a mixture of modern elements. Lisbon is a lively city where you will enjoy every second

Registrations

Chose your category of registration based on your profile and specialization.
Visit conference website for more details on discounts and offers.

Sponsorship and Exposure

Diamond

- Three workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Four complimentary registrations
- Logo recognition on congress website front page with link, sponsorship page
- One A4 color advertisement in the congress souvenir
- Three inserts provided by the sponsor in the congress delegate bags

Platinum

- Two corporate sponsored workshop slots
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Three complimentary congress registrations
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page
- One A4 color advertisement in the congress souvenir
- Two inserts provided by the sponsor in the congress delegate bags.

Gold

- Two complimentary congress registrations
- One corporate sponsored workshop slot
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Logo recognition on congress website sponsorship page
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages)
- One insert provided by the sponsor in the congress delegate bags
- Priority to purchase additional sponsorship items

Exhibition

- One complimentary congress registration
- Set up of one tailor-made exhibit booth (Booth Size 3x3 sqm)
- Logo recognition on congress website sponsorship page
- Color Advertisement in Congress souvenir
- Inclusion of your company's leaflet/insert in the congress delegate bags
- An exclusive online promotion on all our social Networking Sites
- Shape and raise your corporate image through logo branding
- Press Release on behalf of your company
