

4<sup>th</sup> International Conference on

# Optical, Atomic and Molecular Physics

December 02-03, 2019  
Berlin City, Germany

**Theme:** Exploring ideas in current research and future vision of modern physics

International Conference on Optical, Atomic and Molecular Physics cordially welcomes the Global audience to participate in the conference which is to be held December 02-03, 2019 in Berlin City, Germany. The Scientific Program includes Keynote & Plenary Talks, Video Presentations, Poster Presentations and E-Posters. Furthermore, Oral Communications of (Post)Doctoral Junior Scientists, young researchers will be considered. It is the goal of the organizers to make this meeting an event of scientific excellence, attractive to both industrial and academic scientists In Physics.

## Benefits

- All accepted abstracts will be published in the respective International Journals
- Each abstract will receive a DOI provided by SciTechnol
- Special privileges on Group Registrations
- Chance of B2B meeting
- Opportunity to organize Workshop/Symposium

Best Poster Awards  
Young researchers  
Forum

## Conference Highlights

- Atomic and Molecular Physics
- Solid State Physics
- Quantum Physics
- Plasma Physics
- Particle Physics
- Laser Optics
- Nanoscale Physics
- Emerging Smart Materials
- Experimental Condensed Matter and Materials Physics
- Graphene
- Atomic Physics
- Fiber Laser Technology

## Special Registration Prices:

Academic price \$549

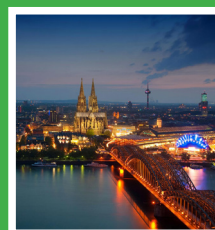

Business \$599

Young researcher \$349

video presentation \$199

One Day  
Participation for  
**USD 349**  
Student Delegates  
for **USD 249**
