BioLEAGUES glad to announce the **2<sup>nd</sup> World Congress on ENT & Craniofacial Surgery (ENT-CFS 2019)** to be held in **Bangkok, Thailand** from **November 21-22, 2019**. This conference is a unique international platform that's a confluence of all Otolaryngology & Craniofacial Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in ENT and other related topics, Craniofacial Surgery, Head & Neck Surgery, Paediatrics, Industrial Neurotology, Robot-Based Surgery, Anaesthesia in ENT Surgery, Nanotechnology, Otorhinolaryngology and Oncology, Facial Plastic and Reconstructive surgery, Implants Technology, Molecular Biology, Primary care, Clinical Industry and many more highlights will be available to discuss with you the latest issues and trends in Overcoming Milestones towards ENT & Craniofacial Surgery with the theme "Exploring new frontiers in ENT & Craniofacial Surgery. With a wide array of keynote presentations, panel discussions, workshops, and poster sessions, the Otorhinolaryngology Conference is the ideal setting not exclusively to jump into your specific interests yet additionally to extend the extent of your insight.

Sincerely  
**Jessica Anderson**  
Program Manager  
ENT-CFS 2019

The 2<sup>nd</sup> World Congress on ENT & Craniofacial Surgery (ENT-CFS 2019) briefs about the hypothetical theory and business parts of ENT-Otolaryngology and Craniofacial Surgery with prominent speakers and keynote discussion from everywhere throughout the world are uniquely qualified to treat each condition individually. As well as this meeting, it provides a communication forum for all those involved in craniofacial surgery, maxillofacial surgery and pediatric plastic surgery, covering both the clinical practice of craniofacial surgery and the basic sciences as they correlate with the scope of craniofacial surgery and pediatric plastic surgery. Our vision is to continue as the premiere in ENT-Otolaryngology and craniofacial surgery, maxillofacial surgery and pediatric plastic surgery, and to encourage all aspects of facial surgery, cutting-edge science, and all new technological advances. We will continue to serve the needs of communication for all organized medical societies relating to our mission.

## Goal

- Furnish leadership and foster advances in ENT & craniofacial surgery
- Provide a forum for exchange of knowledge pertaining to the practice
- Stimulate research, investigation, and teaching methods for preventing and correcting congenital and acquired ENT & Craniofacial deformities

# Awards

ENT-CFS 2019

21<sup>ST</sup>-22<sup>ND</sup> NOV 2019 | BANGKOK, THAILAND

These awards are presented to an individual who has made significant, sustained and continuing contributions to research at this international Conference. The Best Paper Award is presented to the individual(s) judged by a separate awards committee to have written the best paper appearing in the conference proceedings. The best presentation award, the best poster awards will also be given based on organization and professionalism of presentation, communication skills of the presenter and appropriate use of time. The Research Conference Awards consist of Certificate and Trophy.

Bangkok, the capital of Thailand, is a big city best-known for its beautiful shrines and vibrant street life. Long- and short-term educational programs are available in Thailand across several universities and academic centers. International students and researchers may apply research programs in Thailand. Moreover, summer schools and conferences like ENT-CFS 2019 are yet another excellent academic activity that make Thailand an attractive destination for scholars and scientists thus every student, researcher and professor can always find a suitable program in Thailand and apply.
