Introduction

The **MSME INNOVATION SUMMIT 2nd Edition** is formulated to enable MSME's scale up and showcase their key innovations to global markets for considerable impact on economic and social development of India.

The **MSME INNOVATION SUMMIT 2nd Edition** will allow it's attendees to seize the potential of governments framework, policies and credit availability secured for the growth of the **MSME** sector across India.

MSME INNOVATION SUMMIT 2nd Edition will showcase new global opportunities, innovative trends through it's unique format of conference, exhibition and awards. This one-day symposium will be attended by government bodies, private companies, startup's and large-scale organizations to build stronger international ties and business relationships to deliver greater outcomes.
