

26th World Conference on Applied Science Engineering & Technology (26th – WCASET)

26th World Conference on Applied Science Engineering & Technology (26th - WCASET) is organized by IFERP on 26th & 27th February 2020 at Manila, Philippines. [WCASET Philippines conference 2020](#) will explore the new horizon of innovations from distinguished researchers, scientists and eminent authors in academia and industry working for the advancements in Applied Science, Engineering and Technology from all over the world. 26th WCASET aims to bring together Academicians, Scientists, Research scholars and Students, to share and disseminate information on knowledge and scientific research works related to multidisciplinary topics and confers the practical challenges encountered and the solutions adopted. The conference will create a path to establish a research relation for the authors and listeners with opportunities for collaboration and networking among the universities and institutions for promoting research and developing technologies.

"Technological Developments & Modern Trends in [Applied Science and Advanced Engineering](#)" WCASET aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Engineering & Technology, Management, Education & Technology and Applied Science. Convene the world's experts to advance knowledge about innovative technologies and present new research findings and promote and enhance global scientific and community collaborations in synergy with other professional associations. Supplement core reading by engaging in a technical discussion.

Interact with eminent international speakers Participate Brainstorming Technical Sessions Join special interest groups. Access new and profound research ideas. Showcase your latest research findings through either the means of an oral or poster or Video presentation Connect with top industry experts at the Conference Commune with industry experts at the WCASET Publish your research in International SCOPUS Indexed Journals. Avail opportunities to network and exchange ideas. Get inspired

towards undertaking professional studies Network with like-minded peers Share your knowledge to enhance the growth of your field. Gain recognition & earn a Reputation Make your presence felt at an epoch-defining making conference Subscribe to our regular email newsletters and receive all the latest updates directly in your inbox.
