# INVITATION TO ATTENDEES:

## Greetings!

Within this splendid setting, we plan to deliver a conference that will exceed your expectations.

During this year's Conference, we hope that you will seize the opportunity to ongoing connections and spark new ones with your colleagues from around the world. It's with great pleasure and great honor to invite you to our upcoming conference "Global Congress on Pathology & Laboratory Medicine" scheduled during September 14-15, 2020 at Vancouver, Canada.

The Conference will be organized around the theme: "Contemporary Era and Advance Techniques in Pathology & Laboratory Medicine"

GCPLM-2020 anticipates participants around the world to experience thought provoking Plenary Talks, Keynote lectures, Oral & Poster presentations.

Our conference aims to gather the researchers, principal investigators, experts, Pathologists and researchers working on brain from both academia and health care industry, Business Delegates, Scientists and students across the globe to provide an international forum for the dissemination of original research results, new ideas and practical development experiences.

Sincerely,

Cardiology-2020  
Organizing Committee

## IMPORTANT DATES:

Abstract Submission Opens	July 27, 2019
Abstract Deadline	December 13, 2019
Registration Opens	August 12, 2019
Early Bird Registration Ends	January 24, 2020
Midterm Registration Ends	April 17, 2020
Final Registration	September 14, 2020

# ORGANIZING COMMITTEE MEMBERS

**Jay Kalra**  
University of Saskatchewan  
Canada

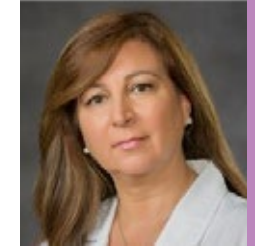

**Evelyn Gopez**  
University of Utah  
USA

**Ahmed G. Hegazi**  
National Research Center  
Egypt

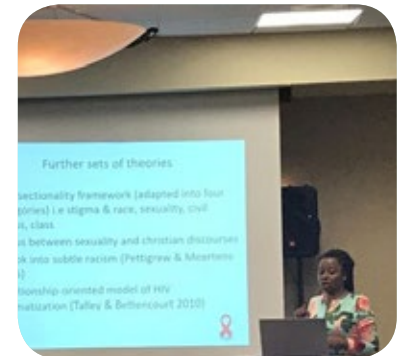

**John Bartlett**  
Ontario Institute for Cancer Research  
Canada

**Andrea Ferreira-Gonzalez**  
Virginia Commonwealth University  
USA

## PREVIOUS GLIMPSES:

## PURPOSE:

With members from around the globe focused on learning about innovations, techniques and advances in Pathology & Laboratory Medicine, this is the best opportunity to reach the largest assemblage of participants from the scientific community.

Conduct demonstrations, distribute information, meet with eminent personalities, and make a splash with latest research innovations at this outstanding event.

## GOAL:

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration.
- The goals of the conference are to provide a transformative professional development experience throughout the world.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Pathology and Laboratory Medicine to present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address various pathologic conditions and disorders and overcome barriers that limit access to care and services.

## WHY TO ATTEND?

A Pathology & Laboratory Medicine conference is an opportunity to meet others within specialty to network and to learn the latest clinical information. I've always embraced the opportunity to attend reproductive conferences and have made a point to encourage others to attend whenever the opportunity arises.

# IMPORTANCE OF GCPLM-2020

GCPLM-2020 aims to expand the Scientists and medical researchers by bringing together again the world-class researchers. It conducts a wide range of Sessions on tracks which provides the Participants and all the attendees with an opportunity to extend their information and research work in the respective disciplines and interact with professionals in the field of Pathology & Laboratory Medicine. The agenda of the conference highlights new and advanced medicines and current topics with interesting research Sessions, Symposia/Workshops, Plenary Sessions, Keynote Sessions, Young Researchers Forum and Poster Sessions.

## WHO CAN ATTEND?

GCPLM-2020 brings together individuals who have an interest in different fields of Medicine like Pathologist, Surgeons, Scholars, Psychiatrists, Pathologic Researchers, Oncologists, Pharmacists, Research Scientists, Pathology Organizations and Societies, Business Delegates, CEO's and R&D Heads from Industries, Directors, Industrial Leaders, Pharmaceutical Companies, Pathology Drug Industries, Pathology Associations & Foundations, Professors and Students from Academia in the Study of Pathology and Researchers who utilize novel techniques and knowledge in diagnosing and treating diseases and disorders.

## MAIN SESSIONS

Molecular Pathology

Clinical Pathology

Diagnostic Pathology

Cancer Cytopathology

Breast pathology

Dermatopathology

Renal Pathology

Anatomical Pathology

Surgical Pathology

Hematopathology

Oral and Maxillofacial Pathology

Path biotechnology

Digital Pathology

Pulmonary Pathology

Gastrointestinal & Liver pathology

Neuropathology

Oncopathology

Microbial Pathology

Immunopathology

Histopathology

Cytopathology

Ophthalmic Pathology

Laboratory Medicine

Bone pathology

Pediatric Pathology

Plant pathology

General medical pathology

Head & Neck Pathology

Chemical Pathology

Veterinary Pathology

Forensic Pathology

Radiation pathology

Psychopathology

Don't Miss to be a Part of Global Congress on Pathology & Laboratory Medicine

## REGISTRATIONS:

Registration Type	Early Bird Registration Price	Mid-term Registration Price	On-Spot Registration Price
Speaker Registration	\$ 699	\$ 799	\$ 899
Delegate Registration	\$ 799	\$ 899	\$ 999
Workshop Registration	\$ 699	\$ 799	\$ 899
Poster Registration	\$ 399	\$ 499	\$ 599
Student Delegate Registration	\$ 299	\$ 299	\$ 299
Accompany Person Registration	\$ 200	\$ 200	\$ 200
Video Presentation Registration	\$ 399	\$ 399	\$ 399
E-Poster Registration	\$ 299	\$ 299	\$ 299

## REGISTRATION INCLUDES:

- Access to all Sessions
- Certificate Accreditation from the Organizing Committee
- Abstracts will be published in the conference souvenir
- Ask the Expert Forums (One to One Pre-Scheduled meeting on interest and availability)
- Access to the attendees email list (post conference)
- 10% abatement on the registration fees for the next annual conference
- 2 Coffee breaks (Refreshments and snacks) during the conference
- Lunch during the conference

**Make Sure You Don't Miss the Deadline!**

## Visa Matters:

- Visitors holding non- Canadian Passports may require a visa. For more information, please check with the Embassy in your respective countries.
- The Conference committee will issue Letters of Invitation for the conference, once your registration is successful and this can be used for obtaining visas.
- However, we will not be able to provide any further assistance with visas

India.

# VENUE ATTRACTIONS:

Vancouver is a bustling west coast seaport in British Columbia, is among Canada's densest, most ethnically diverse cities. Vancouver is an unusual mix of big city culture and laid back West Coast style. Surrounded by towering evergreens and the North Shore Mountain range, the view alone makes flying into Vancouver International Airport worth the visit.

## Capilano Suspension Bridge

There is nowhere else in the world you can see a First Nations performance following a walk 70 meters above the Capilano River. Take a shuttle to the Capilano Suspension Bridge from downtown for free.

## BC Place

There is nowhere else in the world you can see a First Nations performance following a walk 70 meters above the Capilano River. Take a shuttle to the Capilano Suspension Bridge from downtown for free.

## Canada Place

Built to look like a ship, Canada Place is one of the city's most iconic buildings. Take in the view of the port and city skyline.

## Stanley Park

Bike, run, or simply wander the winding trails of Stanley Park, a natural paradise almost entirely surrounding by water right in the heart of the city. Save on parking and take public transit.

## Vancouver Art Gallery

The Vancouver Art Gallery offers ever-changing exhibitions, lectures and public events, as well as works by the region's most celebrated painter, Emily Carr. Entry is free Tuesdays after 5:00PM.

## Museum of Anthropology at UBC

Featuring artifacts from all over the world, the museum is best known for its collection of totem poles, jewelry and pottery of the Pacific Northwest Coast's First Nation peoples.

## Vancouver Aquarium

Deep in Stanley Park is the gigantic Vancouver Aquarium. Get a sneak peak of the action by visiting their website for the Beluga Cam or Sea Otter Cam.

We are looking forward to see you in GCPLM-2020 at Vancouver, Canada
