**Website:** <https://sommelierschoiceawards.com/en/>

**Judging Date:** May 18, 2020

**Location:** South San Francisco Conference Center, 255 South Airport Boulevard, South San Francisco, CA 94080, United States.

[Sommeliers Choice Awards](#) is an international wine competition within the United States that would be judged entirely by sommeliers only. The competition will focus exclusively on the needs of on premise establishments such as bars, restaurants, lounges and clubs, making this competition fundamentally different from any other wine competition within the U.S.

The goal of the Sommeliers Choice Awards is simple: to provide experienced on premise buyers and sommeliers a valuable benchmark for understanding which wines would make a compelling addition to a wine list.

Medals will be awarded to those wines that meet very specific judging criteria, with a goal of identifying wines that should become additions to restaurant wine lists. Wines will be judged according to criteria such as how well they pair with food items in addition to their overall versatility. Highest marks will be awarded to wines that provide value for money at their respective price points. Judges know the trade prices of each wine as they are judging each flight. Hence the winning wines would be the one that would score the highest for its quality, typicity, value, and packaging.
