Invitation

4th International Conference on Food and Nutritional Sciences 2019 invites Food Scientists, Nutritionists, Professors, Young Researchers, Students, Food Manufacturers, Food and Beverage Wholesalers & Retailers, Food Processors, Suppliers and Government Organizations from around the globe. The conference is a forum to discuss valuable and relative topics, alternative approaches, research processes, and provide insight into the industry and how it needs to adapt.

AIM: Share, Explore and Enhance latest research from both Academia and Industry to face grand challenges in Food and Nutritional Sciences

OBJECTIVE: The main objective of 4th International Conference on Food and Nutritional Sciences is to provide a forum to present and discuss to meet needs of humankind sustainably. We believe that this conference can become a platform in finding new and more sustainable ways of addressing food global issue to meet the need of growing population and challenging lifestyle.

CONFERENCE FOCUS ON

Expert Speakers

Global renowned speakers are invited to deliver keynote speeches and plenaries at Food and Nutritional Sciences 2020.

Young Researcher's Forum

In order to motivate young researchers of the Field the organizing committee of the International Conference on Food and Nutritional Sciences 2019 decided to offer best speaker and best Poster awards for the Best Young Researcher of the Conference

Academic Exposure

Our Organizing committee of Food and Nutritional Science 2020 guarantee the best reviews and the comments that you get in the conference will help to develop presenter's research with academic richness.

Networking Opportunity

Networking sessions will provide on the 2nd day of the conference for the Conference participants and it will be a great opportunity for the conference attendees to network with same interest community to exchange innovative Ideas in personal.

Industry Influence

International Conference audience will be 100 + attendees and enriched with Parallel sessions, Roundtable discussions and one to one meetings with Industry knowledge experts.

Free Publication Opportunity

We are delighted to inform you, your research will be publish in our conference proceedings and if your research selected under best category, you will get a chance to publish your paper in our partner journals without any cost and our team will guide you through out the Journal publication process.

GLIMPSES OF PAST CONFERENCES

TESTIMONIALS

“ I attended the Congress and contributed to the construction of the scientific agenda. Numerous researchers from all over the world were present, contributing to interesting scientific presentations in the field of food safety of which I am interested. I think it was a good opportunity to meet and to meet colleagues from all over the world to exchange information and knowledge.

- **Alberto Ritieni**
University of Naples
Federico II

“ The conference was attended by over 100 scientists from over 20 countries of Europe, Asia and North America. It was very useful to deliberate on challenges and opportunities in Food Science and Technology apart from sharing recent research and innovation in the area.

- **Devi Prasad Juvvadi**
Centre for Good
Governance

“ I have no hesitation to accept that this was an excellent opportunity to see Food Scientists, Professionals from various countries such as Italy, Lebanon, Korea, Argentina, Spain, India, UAE and UK. In general, all the presentations consisting of useful information presented professionally. Being a professional of Food Safety and Quality, all the presentations and sessions I attended were quite good.

- **Syed Farhat Raza**
SQP Consultants

“ It was very useful event with many scientists from several countries. Happy to Explore latest research and Innovations in Food and Nutritional Sciences.

- **Attila Gere**
Szent István University,
Godollo

“ Hello everybody,

I also attended the Conference and made an oral presentation on “Monitoring of Veterinary Medicinal Products (VMPs) Residues in Food of Animal Origin “ and it was really good opportunity to meet many researchers from all over the world. I really enjoyed and found the Conference very useful.

- **Ilknur Gönenç**
Ministry of Food,
Agriculture and Livestock

“ I also was one of the invited speakers for this conference and it went very well. More than 100 scientists most of them are affiliated to reputed Universities around the globe were participated in this conference. It was a fantastic event which the expertise shared their relevant expertise in their field of study with another participating scientists

- **Abdul Azeez Mullttu**
Ebrahim
M R S International Food
Consultants

TENTATIVE PROGRAM

Day-1- Thursday, May 21, 2020

Morning

- 08:00-09:00 : Registration
- 09:00-10:30 : Opening Ceremony and Introduction
- 10:30-11:00 : Refreshments
- 11:00-12:30 : Keynote Session I and Keynote Session II

Afternoon

- 12:30-13:30 : Lunch with Table Discussions
- 13:30-15:00 : Oral Presentations I

Evening

- 15:00-15:30 : Coffee Break
- 15:30-18:00 : Oral Presentations II

Day-2- Friday, May 22, 2020

Morning

- 09:00-10:30 : Keynote Session III and Key Note Session IV
- 10:30-11:00 : Refreshments
- 11:00-12:30 : Oral Presentations III

Afternoon

- 12:30-13:30 : Lunch with Table Discussions
- 13:30-15:00 : Poster Presentations I

Evening

- 15:00-15:30 : Coffee Break
- 15:30-18:00 : Oral Presentations IV

OUR BODIES ARE

A holiday in SPAIN

Of course, Spain is a popular vacation destination in its own right, welcoming more than 80 million foreign visitors in 2017. Some come to explore the streets of Barcelona and Madrid, some hit the golf courses, while others head straight to the beach. If you're vacationing in Spain anyway, it can be a good opportunity to access cheap dental care. Alternatively, if you're coming predominantly for dental work, you'll still find plenty to do during your free time. One of the great things about traveling abroad for dental implants or other work is the chance to enjoy a holiday, get your teeth fixed, and still save money compared to private treatment costs back home.

VALENCIA

In a dreamy seaside setting, this balmy Mediterranean port town lives up to the local saying "a piece of heaven fallen to earth." Under the warm rays of the southern sun, the town's palm-fringed plazas are full of life, and its churches sparkle with brightly colored azulejo domes. As the old capital of the kingdom of Valencia, the city is rich in cultural heritage. Magnificent historic monuments, such as the 15th-century Silk Exchange, the 18th century Marquise Palace, and the Museum of Fine Arts, tell the story of a wealthy merchant and aristocratic past.
