Voice from Visitors

I am from Yemen, and this is the second time that I came to Visit Qingdao exhibition. It's always very good, and I think it is even much better than last time. I came here to look for PCR tire, TBR tire, and wish every one good luck.

This exhibition I think is very good, and this is my fourth or fifth visit of such kind of exhibitions. It's good! I like it! For me, I am from Russia, and Russia is now a well-opened country for the tire business of TBR, truck tire and OTR. Have a good time and enjoy it!

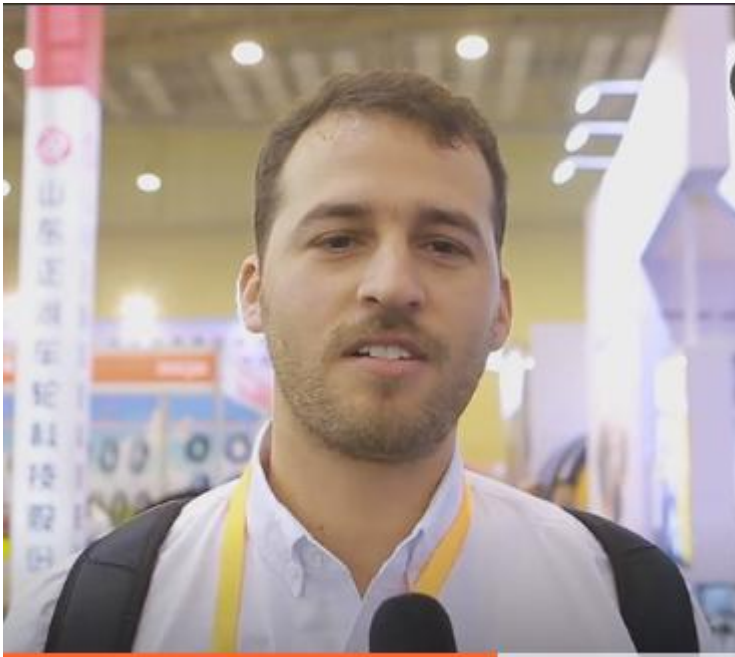

I am from Australia, and I came to the expo and find it very interesting. The people are very nice and we are here to find forklift tires. I will try my Chinese "Cha Che" if that works. I will try to find particular size, but we haven't found it in the show. We have spent here for a very short time, but it is very good!

I am from Yemen, and my opinion of the expo is very nice. We are looking for tires for cars and buses, and motors.

I am the General Manager of CB Rains Company, and I am from Afghanistan, This is the first time that I came to the Qingdao Tire Fair, actually I know your exhibition from Jinnoc Expo, and It's very good. I am looking for different modes for motorcycle, and also some PCR tires.

I am from Mexico, and I am looking for PCR tires. I really like the fair, herein Qingdao. Very professional! I enjoy my journey here and I have a great experience.

I am from Poland, and I just arrived at the show. So I am not able to tell you too much about the fair, but it looks very interesting for me. I am looking for PCR tires for our company. I hope I can find some interesting brand during the show.

We are from Canada, and we are here to look for PCR tires and OTR tires, and the expo is very good. The first day, lots of people are showing up, and I think it should be a success.

It's a good exhibition, lots of tire manufacturers we met up and downstairs and we have just talked to lots of our exhibitors around now. We hope the exhibition is very good.

We are looking at so many brands here in the expo. We've attended from last three years, and this is a very good information.

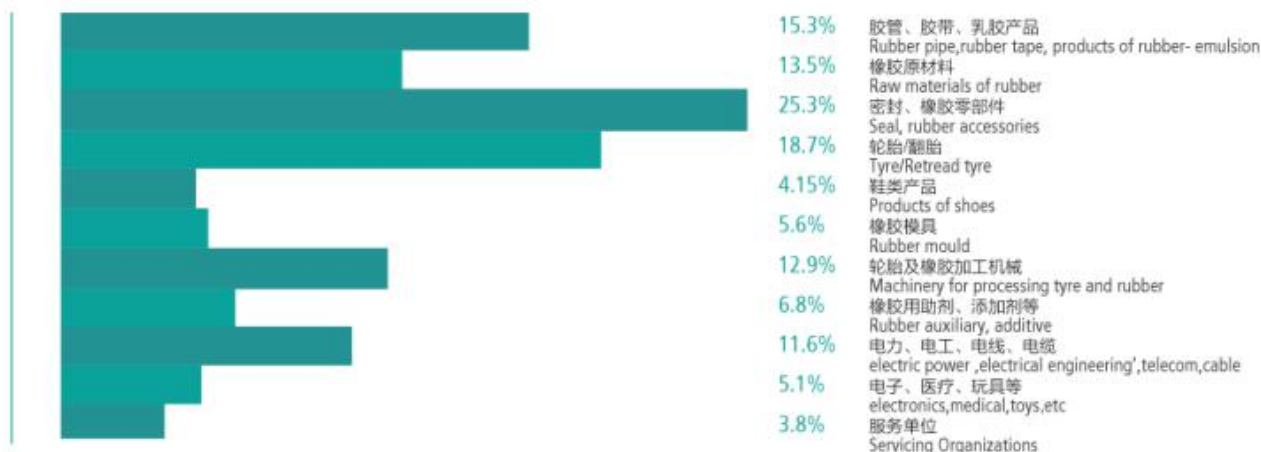

I came from Dubai. We have business there. We are looking for tires, and for long time, we are using Chinese tires. To do a search of good brand, so I came here. This exhibition is so good, and so useful for us actually. We have searched and we have found one or two brand tires of good quality. I am very happy to come here!
