Invitation

Dear Attendees,

We are glad to announce the **5th International Conference on Pediatrics and Pediatric Surgery** to be held in **Rome, Italy** from **March 11-12, 2020** organized by Conference Series LLC Ltd, Europe in collaboration and cooperation from enthusiastic academicians and Editorial Board Members.

This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Pediatricians, Pediatric Surgeons, Academia, Researchers, Industries, Innovators – coming together to present and discuss current topics in Pediatrics and Pediatric Surgery, Pediatric Cardiac Surgery, Pediatric Gastrointestinal Surgery, Pediatric Ophthalmic Surgery, Pediatric Surgical Nursing, Pediatric Neurosurgery, Pediatric Oral & Maxillofacial surgery, Pediatric Surgical Oncology, Pediatric Allergy and Infections, Pediatric Orthopedic Surgery, Pediatric Surgical Urology, Pediatric Head and Neck Surgery and will be available to discuss with you the latest issues and trends in “Latest research efforts and surgical techniques in Pediatrics”.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Pediatric Surgery 2020 Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to see you in Rome.

Sincerely,

Pediatrics Surgery 2020

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+  Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

Special Issues : All accepted abstracts will be

published irrespective Conference Series LLC Ltd Journals

Each abstract will be provided with digital Object Identifier by

Pediatrics Surgery 2020 Conference website is attracting 25000+ Pediatric Surgeons, Pediatricians professionals online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Pediatrics Surgery 2020 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Pediatrics Research and Technology present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together Professors, Pediatric Surgeons, Students and Young research forum to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

About Rome

Rome is the capital city and an extraordinary comune of Italy. Rome likewise fills in as the capital of the Lazio locale With 2,872,800 inhabitants in 1,285 km². It is the nation's most populated comune. It is the fourth most crowded city in the European Union by populace inside city limits. It is the focal point of the Metropolitan City of Rome, which has a population of 4,355,725 occupants, subsequently making it the most crowded metropolitan city in Italy. Rome is situated in the central western bit of the Italian Peninsula, inside Lazio (Latium), along the shores of the Tiber. The Vatican City (the littlest nation in the world) is a free nation inside the city limits of Rome, the only existing case of a nation inside a city: thus Rome has been frequently characterized as capital of two states.

Rome is viewed as one of the world's most excellent antiquated urban communities, and contains immense measures of extremely valuable works of art, palaces, museums, galleries, parks, holy places, gardens, basilicas, sanctuaries, estates, piazzas, theaters, and different settings as a rule. As one of the world's most significant and visited urban communities, there are various mainstream vacation destinations. In 2005, the city got 19.5 million worldwide guests, up of 22.1% from 2001. The 5 most visited places in Rome are: #1 Pantheon (8 million visitors every year), #2 The Colosseum (7.036.104 voyagers a year), #3 Trevi Fountain (3.5 million vacationers per year), #4 Sistine Chapel (3 million sightseers per year) and #5 The Roman Forum (2.5 million travelers per year). Rome is the city with the most landmarks in the world.
