Why Paris??

Paris, France's capital is a major European city and a global center for art, fashion, gastronomy and culture. Its 19th-century cityscape is crisscrossed by wide boulevards and the River Seine. Beyond such landmarks as the Eiffel Tower and the 12th-century, Gothic Notre-Dame cathedral, the city is known for its cafe culture and designer boutiques along the Rue du Faubourg Saint-Honoré.

City attractions:

Paris is full of top attractions, museums, art galleries, things to do and places to go no matter what time of year you're planning on going. If you're looking for the iconic 'photo opportunity' there are so many Paris monuments and landmarks around the city. The Arc de Triomphe is arguably one of the most photographed landmarks in Paris.

A popular way of seeing the sights in Paris is on a hop on, hop off bus tour which stops at multiple points around the city to allow you to design your own sightseeing timetable. Alternatively the Seine River Cruise with Bateaux Parisiens is a great way to see the top attractions from a unique perspective on the water. There's no limit to the many adventures and exciting times that await in Paris, a city that's inspired by dreams and wonder.
