# About GCSA 2020

It is our great privilege and honour to extend a warm and cordial invitation to attend and participate in the **"2nd Edition of Global Conference on Surgery and Anaesthesia" (GCSA2020)** to be held in **Paris, France** during **September 28 - 30, 2020**

The theme of our conference is "Discover the New Possibilities and Recent Innovations in Surgery & Anaesthesia" which will exhibit the latest techniques in the field of surgery. **GCSA 2020** will have a great cast of speakers, and will be introducing new and younger talent from the world. The scientific conference shall be designed to not only help in honing the skills of the experienced surgeons but also there will be plenty of opportunity for young surgeons and scientists to present their work alongside their experienced colleagues. The series of talks, poster presentations, workshops, discussions and networking events will keep participants engaged in learning and making new connections and new network at this conference.

We believe this conference is initiative in bringing surgeons and anaesthesiologists together and interacting with Surgeons from different departments of surgery and anaesthesiologist world-wide with the goal of providing the safe and best possible surgical care for patients.

**GCSA 2020** will bring enhanced understanding of disease and wider collaboration among experts and innovators in the field of surgery and Anaesthesia to improve patient care. The partnership between surgeons and anaesthesiologist will result in safe and successful surgery.

Life is full of give and take. Make it count in your professional life by giving, taking and growing. We are looking forward to meet all of you in **Paris, France** in **September 28- 30, 2020** to make Surgery and Anaesthesia Conference 2020 huge success.

# Top Reasons to Attend

## **1. PRESENTING YOUR ORGANISATION'S WORK ON A GLOBAL STAGE**

As a speaker at GCSA2020 you will be presenting to a room full of senior representatives from all over the world, each providing a different perspective from the sector. Your organisation's expertise and knowledge will be showcased to key players in the field of surgery and anaesthesia and will be a unique platform to increase your reputation within the sector.

## **2. DISCUSS AND OVERCOME ISSUES IN THE FIELD**

GCSA2020 offers unrivalled opportunities to work with other key leading experts from the Universities to discuss the main challenges in the sector and to come together to produce strategies to find solutions to these problems.

## **3. NETWORK WITH KEY PLAYERS FROM THE SECTOR**

GCSA 2020 draw together leading specialists from Universities, industry, the academia to ensure a conference is a commercially productive event for all involved. Be it forging partnerships, finding customers or building collaborations. GCSA 2020 is the one-stop for knowledge sharing and collaborations.

## **4. LEARN FROM OTHER SPEAKERS**

As a speaker at GCSA2020 you will be provided with free access to three days of the conference and associated workshops and will be given the opportunity to hear from other senior representatives from the sector and consider problems and solutions in the field of Surgery and Anaesthesia, our numerous Q&A sessions and panel discussions.

## **5. LEADING A WORKSHOP**

By leading one of GCSA 2020 renowned Workshops, you will be presented with a perfect forum for an in depth discussion and debate into a key issue. These sessions can vary in format from case-study-led debate with interactive break-out sessions to a presentation based discussion group on a topic that may need a particular in-depth focus.

## **6. CHAIRING AT GCSA2020**

To increase your presence at the event, why not chair the event, a day, or a specific session to present yourself and your organization as one the leading players in a specific topic area? As a chair, you will work closely with us and our line-up of senior level speakers to ensure an event's success.

## **7. NEW PLACES; NEW PEOPLE**

Each time GCSA 2020 will be held at a different place, new and different people will attend. This can enlarge building collaborations and help you in developing new relationships.

## **8. GROW**

GCSA 2020 provides a unique convergence of networking, learning and fun into a single package. GCSA 2020 forces you to grow and challenge yourself.

## **9. COMPETITIVE ADVANTAGE**

You'll stand out if you're a sponsor and your major competitors aren't. If you're Competitors have already decided to be sponsors, your sponsorship becomes even more important, to assert your comparative market strength and your commitment to healthy products.

## **10. THE OPPORTUNITY TO COLLABORATE AND SPONSOR**

While we determine the conference theme and flow, we invite our key sponsors to suggest potential non-commercial speakers and topics that might also enhance the program. That's why it's important to commit early to sponsorship, before the program is final.

# GLIMS

**Prof. Michael Thompson, University of Toronto, Canada**

The meeting was very enjoyable and well organised.

**Dr. Sherri J. Tenpenny, Tenpenny Integrative Medical Center, USA**

It was a pleasure to meet interesting researchers from around the world

**Dr. Atif A. Ahmed, Children's Mercy Hospitals and Clinics, USA**

I have enjoyed listening and interacting with the other speakers. This conference has a lot of potential.

**Prof. Rossana Berardi, Universita Politecnica delle Marche, Italy**

The congress was very interesting with multidisciplinary view with several colleagues presented.

**Dr. Jozef Sabol, Department of Crisia Management, PACR, Czech Republic**

The place and organization was excellent and enjoyable

**Urszula Wojda, Nencki Institute of Experimental Biology of Polish Academy of Sciences, Poland**

I enjoyed the conference very much. As possibility to meet the professionals and very distinguished scientists working in this field

**Sagar Jawale, Jawale Institute of Pediatric Surgery, India**

The conference was excellent. I personally want to thank you and the Magnus group for giving me this opportunity.

**Amela Karabeg, ESPRAS, BAPRAS, UPREHBiH, Bosnia and Herzegovina**

Every Congress is an opportunity to learn but also to give knowledge. I am happy that we not only take it but also giving knowledge. We have something to bring home and to those who are interested in telling the news.

**Ameen I Ramzy, Legacy Emanuel Medical Center, USA**

The conference has finished. I am glad I attended it. The Organisers did a very nice job.

**Reuf Karabeg, ASPS, ISAPS, ESPRAS, BAPRAS, UPREHBiH, Bosnia and Herzegovina**

It is truly beautiful and, above all, useful to be here. As a general surgeon and aesthetic surgeon and a teacher of students, I have the opportunity to apply in everyday practice (what seen and what we do at the clinic), several colleagues presented.

# Venue and Accommodations

## Why Paris??

Paris is the capital and the most populous city of France. One of the most breath-taking works of architecture : The Eiffel Tower, The Notre Dame, Place De La Concorde, Arc De Triomphe, The Louvre, Les Invalides are the most famous pieces of architecture that attracts the tourists to feast their eyes upon in this city. Paris has been one of Europe's major centres of finance, commerce, fashion, science, music, and painting. The city is a major rail, highway, and air-transport hub served by two international airports. Paris is especially known for its museums and architectural landmarks: the Louvre was the most visited art museum in the world in 2017, with 8.1 million visitors. Paris is a dream place to visit for the art and architecture lovers.
