## Explore and examine various spheres of Earth Science and Geology

Conference Dedicated to Innovate Solution to the challenges faced by Earth Science and Geology

Your single Destination to reach Largest Assemblage of participants from Earth Science and Geology Community

Opportunity beyond any Comparison to Attend & Network

Experience the Global Ambiance with Researchers with Similar Significance

Make New Associations and Fostering Potential Partnerships

Learning & Knowledge in a Single Package

Worldwide Acknowledgement to your Research Profile

Explore the best in Cutting Edge Research

Learn Beyond your Field of Interest

Professional Development to Elevate your Knowledge and Skills

## Earth Science 2020

**Speakers Representation from 50+ Countries**

**1 Conference | 2 Days**

**15 Keynote Talks | 75 Plenary Speakers | 17 Interactive sessions**

**Symposia | Workshops | Best Poster Award**

**200 Attendees | 50 Professors | and many more . . .**

Greetings!

***International Conference on Earth Science and Geology*** which is slated on ***21-22 October, 2020*** in Rome, Italy, welcomes all participants across the globe with immense pleasure to come and enrich the two day event with their invaluable contribution toward the field of Earth Science and Geology. The theme of the conference is ***“Explore and examine various spheres of Earth Science and Geology”***.

The Earth Science 2020 will be having participants from various domains contributing to the recent developments in Earth Science and Geology. There will be a hub of Professors, Earth Science specialists, Scientists, Researchers, Environmental Engineers, Water Treatment Research Labs, Recycling Business Associates, Chemical Engineers, Civil Engineers, Geologists, Risk Analysts, Meteorologists to share their novel innovations in the field of Earth Science and Geology.

The two day conference will be having a series of events starting from 15+ keynote speeches, 50+ invited talks, and 100+ technical paper split between different parallel oral sessions every day.

We invite all the participants who are concerned in sharing their researches and knowledge in the field of Earth Science and Geology. The conference will provide you with the exemplary opportunity for delegates from universities and institutions to interact with the experts, sponsors and exhibitors.

Earth Science 2020 will create a platform in discussing the strategies and techniques to be developed to deal with the present scenario of waste management for a better future. There are 18 interesting session tracks for the participants diversifying the topic of Earth Science and Geology. This conference will offer exchange of ideas from renowned experts from all over the world.

Sincerely

Amelia Jones

Program Manager | Earth Science 2020

Organizing Committee

With great pleasure we welcome all the participants for the International Conference on Earth Science and Geology which is scheduled to take place from 21-22 October, 2020 in Rome, Italy.

The theme of the conference is “Explore and examine various spheres of Earth Science and Geology”.

Earth Science 2020 will be a global dais accumulating individuals from different fields of recycling starting from Hydrology, Meteorology, Paleontology, Seismology, Geological Surveying, Remote Sensing and GIS. Researchers and experts will introduce the emerging technologies to combat the challenges generated from all the sectors. This International conference will be an assimilation of participants imparting knowledge and imbibing in new innovations from other world experts of Earth Science and Geology.

Earth Science 2020 organized by Allied Academies takes the opportunity to assemble presentations and talks from editors of noticeable journals, renowned scientists, prestigious and dynamic investigators and decision makers in the field of Earth Science and Geology.

This conference will be a platform for participants to learn, consult, exchanging ideas from experts of dynamic fields associated to Earth Science and Geology. The two day event will comprise of keynote talks, oral and poster presentations, workshops, video presentations and a variety of more such events to make this conference a fruitful event.

With cooperation and participation of every individual present at the Earth Science 2020 we hope to make this conference a grand success in implementing Earth Science and Geology to a next level in the global scenario. With high anticipation we are sure to meet you at the charming city of Rome, Italy in 21-22 October, 2020

## Earth Science 2020 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

## WEDNESDAY, OCTOBER 21

08:00-09:00

Registration

09:00-09:30

Opening Ceremony

09:30-10:15

Keynote Forum – 01

10:15-11:00

Keynote Forum – 02

11:00-11:30

Networking Reception and Refreshment

11:30-12:15

Keynote Forum – 03

12:15-12:45

Keynote Forum – 04

12:45-13:15

Business Opportunity  
Exchange & Lunch

13:15-15:00

Plenary Sessions – 01

15:00-16:00

Parallel Session 01-Hall 1

General Session 02-Hall 2

Parallel Session 03-Hall 3

16:00-16:30

Networking Reception and Refreshment

16:30-18:00

Concurrent Work shops

## THURSDAY, OCTOBER 22

09:00-09:30

Registration

09:30-10:15

Keynote Forum – 01

10:15-11:00

Keynote Forum – 02

11:00-11:30

Networking Reception and Refreshment

11:30-12:15

Plenary Sessions - 02

12:15-12:45

Concurrent Work shops

12:45-13:15

Business Opportunity  
Exchange & Lunch

13:15-15:00

Plenary Sessions – 03

15:00-16:00

Parallel Session 04-Hall 1

General Session 05-Hall 2

Parallel Session 06-Hall 3

16:00-16:30

Networking Reception and Refreshment

16:30-18:00

Awards Banquet and  
Closing Ceremony

## Purpose

With members from around the world focused on learning about Earth Science and Geology, this is your single best opportunity to reach the largest assemblage of participants from the scientific community.

Conduct demonstrations, distribute information, meet with eminent personalities, and make a splash with latest research innovations at this outstanding event.

## Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Earth Science and Geology to present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address Earth Science and Geology problems.

## Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in Earth Science and Geology
- Discuss and apply recent research findings related to Earth Science and Geology
- Disseminate the diverse voices of breakthrough innovators with visionary and practical solutions.

## Who should attend?

The Conference will collaborate individuals from a wide range of professional backgrounds such as Earth Science Professionals, Geologists, Ecologists, Environmental risk analysts, Climate Analysts, Climatologists, Meteorologists, Stratigraphists, Geochemists, Palaeontologists, Petrologists, Seismologists, Volcanologists, Mineralogists, Marine geologists, Environmental Engineers, Earth Science societies and it's people, Geology societies and it's people, Research enthusiasts, Environmental Welfare Associations, Earth Science and Geology students, Professors, Earth Science enthusiasts, Geology schools, Research Institutes and members, Supply Chain companies, Manufacturing Companies, Training Institutes, Business Entrepreneurs, Journal Editorial members, University heads, Delegates. This forum will be a great place for exchanging ideas from one another.

## Diverse Action-Oriented Programming & Networking

**EXPERIENCE:** Inspiring change around the country and world, growing a revolution from the heart of Earth Science and Geology research.

**EXPLORE** the forefront of breakthrough ideas and models in electrifying morning keynote talks, featuring luminaries and “the greatest people you’ve never heard of.”

**PARTICIPATE** in afternoon panels and workshops/symposiums on diverse topics Seismology, Geophysics and Geodesy, Geochemistry, Stratigraphy, Sedimentology, Soil Science, Geological Surveying, Crystallography and Mineralogy, Volcanology

**NETWORK** with a community of leadership – dynamic change makers from around the country and world, or from your region, to develop important professional and personal relationships.

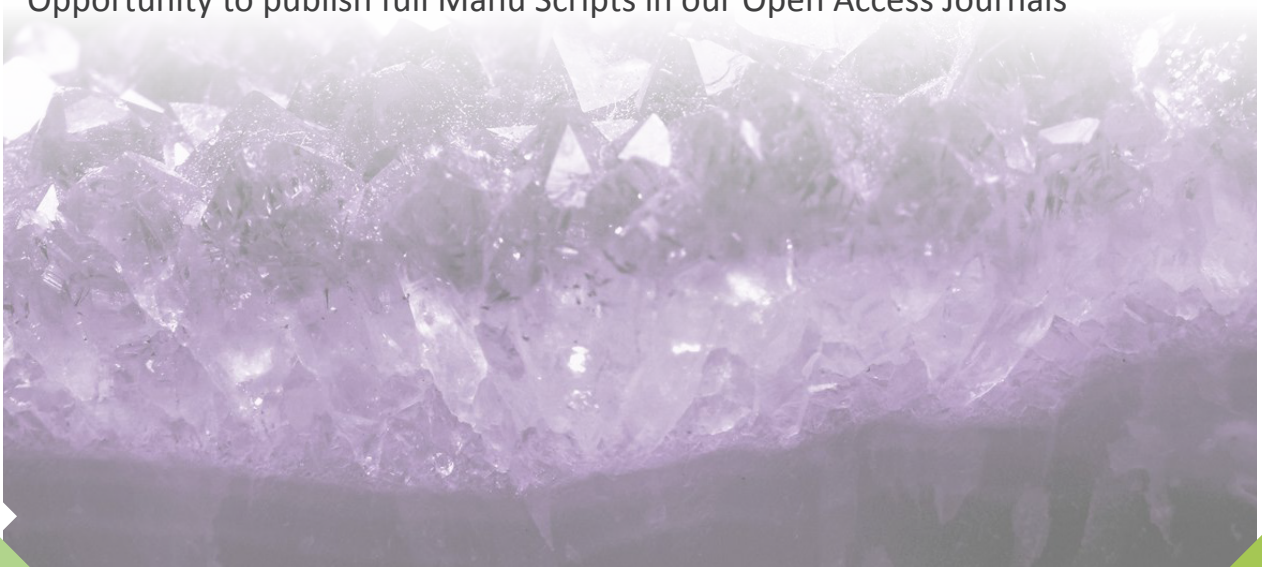

**SHARE** your insights and learning at the conference in participatory and experiential workshops.

**DISCOVER** powerful opportunities and strategies for creating and engaging with progressive change in your work, life and community.

**CELEBRATE** how great a difference one person can make, and how building community amplifies that change.

## Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

Colosseum and the Arch of Constantine

Vatican City

Palatine Hill

Borghese Gallery and Gardens

Piazza Navona

Piazza del Popolo

## Scientific Sessions

Environmental Science

Hydrology

Meteorology

Atmospheric Science

Global Warming

Climate Change

Planetary Science

Remote Sensing and GIS

Paleontology

Seismology

Geophysics and Geodesy

Geochemistry

Stratigraphy

Sedimentology

Soil Science

Geological Surveying

Crystallography and Mineralogy

Volcanology

## Earth Science 2020 Outlook

Explore the best in Cutting edge Research

Change to learn beyond your field of Interest

Keynote sessions by worlds most eminent and distinguished researchers

Conference Participation Inspires, Rejuvenate and Energize participants

Earth Science 2020 an unique platform to increase your reputation within the Earth Science and Geology Sector

Learning and Knowledge in a single package

Speaker's representation from 50+ Countries

1 Conference | 2 Days

## Accompany Partners' Policy:

We respectfully remind you that partners accompanying delegates/speakers are not eligible to attend conference sessions and do not qualify for refreshments and lunches during the day unless they have registered.

Any partner wishing to attend events not previously selected and paid for in his or her registration may do so at the Conference Registration desk.

We would be pleased to accommodate any requests where possible.

## Registration and Accommodation

### Policy:

Registration and accommodation changes will not be accepted unless made in writing.

Changes made within 14 days of the event may incur costs due to specific hotel and venue policies

### Cancellation Policy:

Registration cancellations will not be accepted unless made in writing.

Cancellations request made before 21 September 2020 will be refunded less 25% of the Conference Registration fee, to cover administration costs.

No registration refunds will be processed after this date, however, substitute delegates are welcome.

## Academic

Only Registration: USD 799

Package A (Registration + 2 nights' Accommodation): USD 1199

Package B (Registration + 3 nights' Accommodation): USD 1399

## Business

Only Registration: USD 899

Package A (Registration + 2 nights' Accommodation): USD 1299

Package B (Registration + 3 nights' Accommodation): USD 1499

## Student

Student YRF: USD 499

Student Poster: USD 599 (USD 499 + USD 100 for Poster)

Student Participation without Amenities: USD 200

E-poster: USD 99

## Important Dates

Abstract submission opens: November 25, 2019

Registration opens: November 25, 2019

Early bird registration: December 31, 2019

On spot registration: October 21, 2020
