

May 28-29, 2020
Frankfurt, Germany

European Summit on
Personalized Medicine
&
Pharmacogenomics

 <https://www.longdom.com/personalizedmedicine>

INVITATION

Longdom Conferences provide the platform to speakers and offer delegates the opportunity to share their ideas and network. We are pleased to welcome you to attend and associate with us at **European Summit on Personalized Medicine and Pharmacogenomics** conference on **May 28-29, 2020 in Frankfurt, Germany**.

Euro Personalized Medicine 2020 mainly focuses on the theme “*Exploring Advancement in Personalized Medicine and Pharmacogenomics*” guided by a line-up of expert speakers, the agenda will address some of the major issues related to Personalized Medicine and Pharmacogenomics to ensure that the public receives the best possible care and can look forward to a bright future.

Euro Personalized Medicine 2020 foresees over 200 participants from 7 continents with revolutionary subjects, discussions, and expositions. This will be excellent viability for the researchers, students and the delegates from Universities and viability for the researchers, students and the delegates from Universities and Institutes to intermingle with the world-class Scientists, speakers, technicians, technical Practitioners and Industry Professionals working in the field of Personalized Medicine and Pharmacogenomics.

Regards,
Euro Personalized Medicine 2020
Organizing Committee

OUR MISSION:

- To provide the best platform where various ideas can be shared and information can be discussed.
- To conduct conferences annually in each and every field of life science in various parts of the world to target maximum audiences.
- To conduct outstanding events with our hard work.
- To create some value in the whole world.

OUR VISION:

- To work as a team with effective dedication and prove ourselves as the best company for an outstanding conference Organizer.

TRACKS:

- Personalized Medicine
- Biomarkers in Personalized Medicine
- Personalized Medicine in Oncology
- Future of Personalized Medicine
- Personalized Medicine in Infectious Diseases
- Pharmacogenomics
- Genome Medicine
- Clinical Genomics
- Gene Editing and Genetic Engineering
- Proteomics
- Preventive Medicine
- Immunology Infectious Diseases
- Personalized Drug Therapy
- Precision Medicine
- Precision Medicine and Novel Technology
- Cardiovascular Medicine
- Pharmacogenomics & Personalized Medicine
- Precision Medicine and Diagnostics Development
- Trends in Genomics and Pharmacogenomics
- Ethics of Personalized Medicine

TARGET AUDIENCE

- Academy and Research-Professors
- Genomics Associations and Societies
- Medical devices Manufacturing Companies
- Physicians
- Medical Colleges
- Researches Laboratories
- Virology Researchers
- Bacteriology Researchers
- Centre for Global Research and Intervention in Infectious Diseases
- Scientists
- Dean and Directors
- Graduates and Undergraduates
- Pharmaceutical Industries
- Healthcare Sectors
- Directors of Association and Society
- Experts and Delegates
- Doctors
- Researcher Scholars
- Industrial Business Entrepreneurs

WHY TO ATTEND?

- Evaluate your current research and share your ideas with experts on Medicine & Genomics.
- World-class platform to Exhibit your products, services, innovations & Ideas
- Special Workshop/ Symposium, B2B, and interactive sessions, with industry Sponsors and Exhibitors
- More than 30 presentations from both Industry and Academic
- Well organizing the program with 5+ hours of networking sessions
- Interactive panel discussions and Q&A sessions
- One to one interaction with eminent scientists, Industry Leaders, Researchers
- Lively Exhibition area filled with the leading industry solution providers

EXHIBITOR AND SPONSORS

Abstract submission link: <https://www.longdom.com/personalizedmedicine/abstract>

Registration link: <https://www.longdom.com/personalizedmedicine/registration>

REGISTRATION PRICES:

Speaker Registration: \$499

Delegate Registration: \$399

Deal A (Registration + 2 Nights' Accommodation): \$799

Deal B (Registration + 3 Nights' Accommodation): \$949

IMPORTANT DATES:

Abstract Submission Opens: 01/06/2019

Registration Opens: 01/06/2019

Early Bird: 27/12/2019

Registration Closes: 28/05/2020

Organizer's Details:
