25th World Congress on

Biotechnology

April 27-28, 2020 | Amsterdam, Netherlands

<https://biotechnologycongress.conferenceseries.com/>

Invitation

Dear Attendees,

Conference Series LLC Ltd welcomes you to attend the [25th World congress on Biotechnology during April at 27-28, 2020 | Amsterdam, Netherlands](#). We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Biotechnology.

Biotechnology-2020 anticipates more than 100 participants around the globe with thought provoking keynote lectures, oral and poster presentations. The attending delegates include editorial board members of related open access journals. This is an excellent opportunity for the delegates from universities, institutes and industries to interact with the world class scientists. The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer. The main theme of the conference is **“Recognizing and Analyzing the modern ascensions in the field of Biotechnology”**

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the Biotechnology to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level. We look forward to personally welcoming you to Amsterdam this November.

Sincerely,
[Biotechnology-2020](#)
Organizing Committee

About Us

2020

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+  Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

Special Issues : All accepted abstracts will be
published irrespective UK: Conference Series LLC Ltd Journals
Each abstract will be provided with digital Object Identifier by  Crossref

About Conference

Biotechnology-2020 Conference website is attracting 25000+ Scientists, Biotechnologists, Industry Safety Officers, Environmental & Plant Scientists, Dealers of Consumer Products/ Managers, Pharmaceutical Scientists, Students, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Biotechnology-2020 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 million+ visitors and 20000+ unique visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for global networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goal of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyse and advance scientific knowledge about biotechnology and regulatory measures present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to elderly population around the world and overcome barriers that limit access to care and services.

About Conference

2020

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in the field of Biotechnology
- Discuss and apply recent research findings related to Biotechnology
- Reflect on the place of critical distance in Biotechnology

Who should attend

25th World Congress on Biotechnology is exclusively designed for Biotechnologists, Managing Directors, Industry Safety Officers, Environmental & Plant Scientists, Doctorates, Professors, Post Doctorate Fellows, Dealers of Consumer Products/ Managers, Pharmaceutical Scientists, Students from the related fields.

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000 + Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by  Crossref

Major Sessions

Industrial Biotechnology

Marine Biotechnology

Recombinant DNA technology

Animal Biotechnology

Environmental Biotechnology

Stem Cell Biotechnology

Nano Biotechnology

Pharmaceutical Biotechnology

Microfluidics For Biotechnology

Genomics and Proteomics

Food and Nutritional
Biotechnology

Synthetic Biotechnology

Cancer Biotechnology

Medical Biotechnology

Protein Engineering

Recombinant DNA technology

Biosensors in biotechnology

Biomass and Bioenergy

Biochemistry and Biophysics

Supporting Journals

- **Journal of Molecular Biology and Biotechnology**
- **Journal of Biotechnology & Biomaterials**
- **Journal of Microbial & Biochemical Technology**
- **Journal of Genetics and Molecular Biology**

About Amsterdam

Why Amsterdam ?

Amsterdam is one of the leading centres in Europe for Life Science research. The Amsterdam biotech cluster has the highest concentration of life science companies in the Netherlands. Amsterdam offers life science professionals a wealth of choices from small innovative biotech's to global pharma and medical device companies. Amsterdam has a thriving biotechnology sector that has experienced strong growth in recent years and the trend looks set to continue signalled by the recent €30m grant for the Cancer Genomics Centre in the cluster.

Amsterdam is a very attractive prospect for life science professionals. Lift stream believes that the developing Amsterdam cluster is constantly enhancing its reputation worldwide, offering increasing opportunities for life science professionals.
