

EURO HEART CONGRESS 2020

8th WORLD HEART CONGRESS

May 11-12, 2020 | Munich, Germany

<https://heartcongress.cardiologymeeting.com/>

Invitation

Dear colleagues,

We take great pleasure in inviting you to participate in the upcoming Euro Heart Congress 2020 during May 11-12, 2020 at Munich, Germany to witness valuable scientific discussions and to participate in Workshops on cardiology, symposiums, heart failure Sessions & contribute to the future innovations in the field of cardiology & heart failure..

Euro Heart Congress 2020 gathering will concentrate on the most recent and exciting developments in every aspect of cardiology research which offers unique opportunities for specialists across the globe to meet, organize, and see new advancements. We are anticipating vast number of specialised cardiologists in various fields, along with cardiology researchers, Doctors, and professors from Medical schools globally.

We look forward to see you in Munich, Germany this May.

Sincerely,

Euro Heart Congress 2020

Organizing Committee

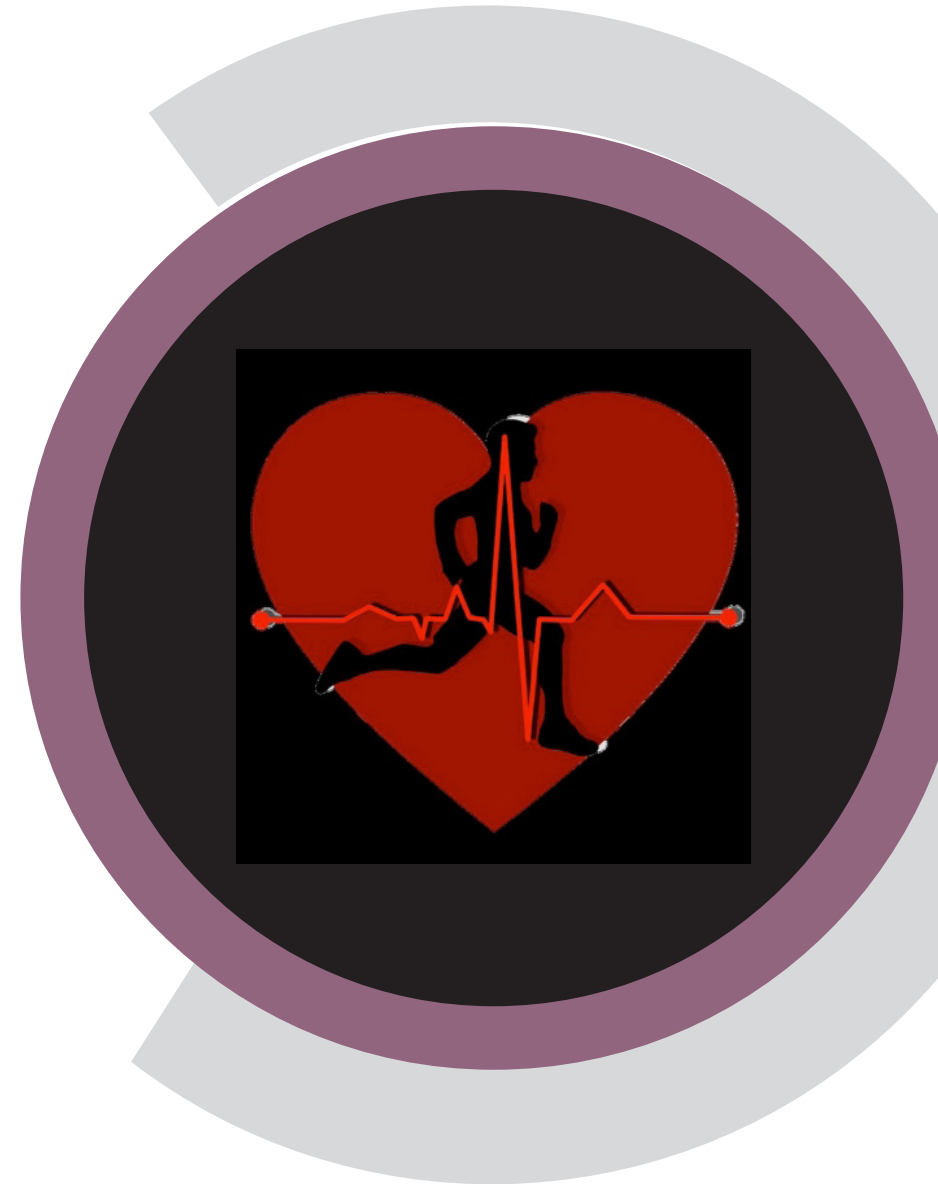

Euro Heart Congress 2020

This is an unique international meeting where cardiologists, pediatric cardiologists, congenital heart rhythm professionals can meet their colleagues from around the world, and exchange ideas and new information in the field of Cardiology.

Euro Heart Congress is among the World's leading Scientific Conference. The two-day event on Cardiology practices will host 60+ Scientific and technical sessions and sub-sessions on cutting edge research and latest research innovations in the field of cardiology and cardiac surgeries across the globe. Euro Heart Congress 2020 will comprises of 21 major sessions designed to offer comprehensive sessions that address current issues in the various field of Cardiology, Cardiac researches, Heart diseases

Who should attend ?

Cardiologists, Cardiac Surgeons, University Professors, Various Societies and their members, Institutes-Medical Schools Students, Research Scholars, Business Entrepreneurs, Training Institutes, Software making associations, Manufacturing Medical Devices Companies

Benefits of attending Euro Heart Congress 2020

- Cardiology deals with the study of heart functioning, circulatory system, blood vessel functioning etc. any defects in the heart or heart functioning leads to heart diseases. Heart diseases include Congenital heart defects (heart diseases in new born & in children), Arrhythmias (heart rhythm problems), Rheumatic heart disease, Ischemic heart disease etc.
- The attendees can find exclusive sessions and panel discussions on latest innovations in Cardiac Surgeries and Heart Failure by:
 - Lectures from renowned speakers
 - Keynote forums by Prominent Professors, Doctors
 - Open Innovation Challenges
 - Poster presentations by Young Researchers
 - Global Networking sessions with 50+ Countries
 - Novel techniques to benefit your research
 - Best platform for Global business and Networking opportunities
 - Meet the editors of referred journals, Society and Association members across the Globe
 - Excellent platform to showcase the latest products and formulations in Cardiac field

Major Sessions

Heart Disease and Failure
Diabetes, Obesity & Stroke
Pediatric Cardiology
Cardiac and Cardiovascular Research
Women Cardiology
Cardiovascular Diseases
Cardiology - Future Medicine
Heart Diagnosis and Devices
Heart Regeneration
Cardio Oncology
Cardiac Pharmacology
Hypertension
Cardiac Surgery
Cardiac Nursing
Angiography & Intervention
Nuclear Cardiology
Case Reports on Cardiology
Clinical Cardiology

Supporting Journals

Journal of Clinical & Experimental Cardiology
Journal of Cardiovascular Diseases & Diagnosis
Journal of Interventional Cardiology
Journal of Hypertension

Host City

Sitting on the fringes of the snow-capped Bavarian Alps, multi-layered Munich is a city that revels in its contradictions. It's Germany's most visited destination after Berlin, but it presents two very different faces to the world. The first is that of a modern metropolis, driven by technology and innovation, somewhat characterised by the likes of BMW (whose high-tech HQ is a big visitor attraction) and FC Bayern Munich, the hyper-successful football team whose 21st-century stadium looms on the city outskirts like some gargantuan spacecraft.

The second is that of a deeply traditional town, best known for the beer-swilling rumpus of Oktoberfest but defined year-round by dirndl-wearing waitresses, gingerbread architecture and the defiantly German strain of warm hospitality known as Gemütlichkeit. Fittingly, among the flashy new boutiques and atmospheric old bierkellers (beer halls), the local citizens are at ease with this mix of cosmopolitan consumerism and old-world customs. The immense new, energy-efficient Siemens HQ is being built on a central square that still hosts a medieval Christmas market – that rather says it all. This means finding yourself stuck for something to do is unlikely. Munich's history is a chequered thing, ranging from neoclassicism to Nazism, but that makes it a fascinating place to explore.

Euro Heart Congress 2020

Vision & Plan

The global cardiac biomarker diagnostic test kits market is expected to be worth US\$ 2,540.8 Mn in 2028, and is projected to increase at a CAGR of 5.1% through 2028. North America is expected to be a dominant market, which accounted for US\$ 522.5 Mn in 2017, and is expected to grow at a CAGR of 4.3%.

North America has been the dominant regional market for heart diagnostics with a share of approximately 47% of the overall heart diagnostics market in terms of revenue in 2016, followed by Europe which accounted for around 38% share in the market and then by Asia accounting for 15% share.

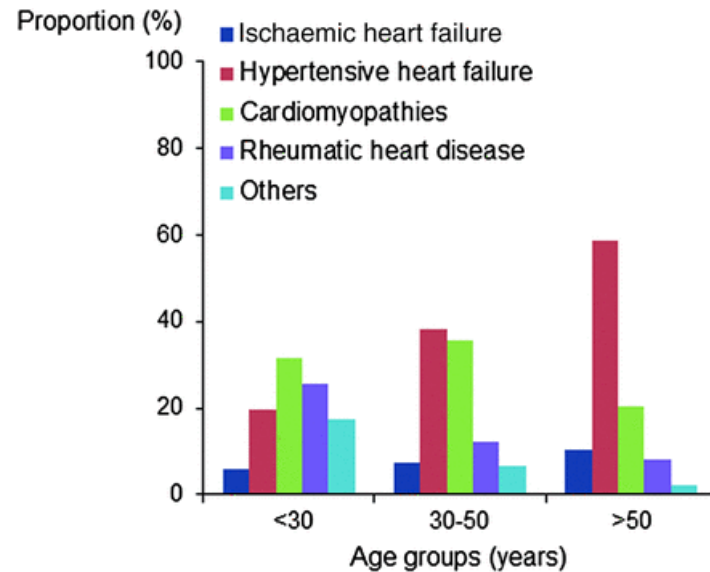

Scope and Importance: -

A prospective survey of patients with valvular heart disease (VHD):

Coronary angiography was used in 85.2% of patients before intervention.

The Euro Heart Survey (EHS) programme has been initiated order to provide quantitative information on cardiovascular disease.

To prevent the incidence of cardiovascular (CV) disease, by implementing strategies to reduce the burden of CV risk factors and incidence of CV disease and develop appropriate models for healthy CV lifestyle.

Sponsorship and Exposure

Diamond

- Three workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Four complimentary registrations
- Logo recognition on congress website front page with link, sponsorship page
- One A4 color advertisement in the congress souvenir
- Three inserts provided by the sponsor in the congress delegate bags

Platinum

- Two corporate sponsored workshop slots
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Three complimentary congress registrations
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page
- One A4 color advertisement in the congress souvenir
- Two inserts provided by the sponsor in the congress delegate bags.

Gold

- Two complimentary congress registrations
- One corporate sponsored workshop slot
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Logo recognition on congress website sponsorship page
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages)
- One insert provided by the sponsor in the congress delegate bags
- Priority to purchase additional sponsorship items

Exhibition

- One complimentary congress registration
- Set up of one tailor-made exhibit booth (Booth Size 3x3 sqm)
- Logo recognition on congress website sponsorship page
- Color Advertisement in Congress souvenir
- Inclusion of your company's leaflet/insert in the congress delegate bags
- An exclusive online promotion on all our social Networking Sites
- Shape and raise your corporate image through logo branding
- Press Release on behalf of your company

Tentative Agenda

Day 1 / May 11, 2020

SESSION
OPENING CEREMONY
INTRODUCTION
KEYNOTE PRESENTATIONS
MORNING BREAK
WORKSHOP SESSIONS
