

About Conference

3rd World Congress on Traditional and Complementary Medicine is an international event focusing on the theme “Exploring Innovations and Recent Advances Enhancing Excellence in Traditional & Complementary Medicine”

Traditional Med Meet 2020 explores the skills, knowledge and practices of Traditional Healers, Ayurvedic Medicine, Homeopathy, Naturopathy, and Functional Medicine based on the theories, beliefs, and experiences in the prevention, improvement, diagnosis and treatment of physical and mental illness. It’s main objectives include gathering more evidence on the safety, efficacy, and quality of traditional and complementary medicine. It aims to ensure the availability and affordability of such medicine and documenting traditional medicines and remedies.
