Climate Congress and Expo 2020

ABOUT US

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

ABOUT BANGKOK

Bangkok is the capital and most crowded city of Thailand. It is a global center for vehicle and human services, and has risen as a territorial community for expressions of the human experience, design and amusement. The city is notable for its dynamic road life and social tourist spots. Bangkok's multi-faceted sights, attractions and city life bid to different gatherings of travellers. Imperial royal residences and sanctuaries just as a few exhibition halls establish its major chronicled and social vacation destinations. Shopping and feasting encounters offer a wide scope of decisions and costs. The city is likewise celebrated for its dynamic nightlife. The noteworthy Grand Palace and Buddhist sanctuaries including Wat Arun and Wat Pho remain conversely with other vacation spots, for example, the nightlife scenes of Khaosan Road and Patpong. The Giant Swing and Erawan Shrine show Hinduism's profound established impact in Thai culture. Vimanmek Mansion in Dusit Palace is acclaimed as the world's biggest teak building, while the Jim Thompson House gives a case of customary Thai design. Other significant historical centres incorporate the Bangkok National Museum and the Royal Barge National Museum. Travels and pontoon stumbles on the Chao Phraya and Thonburi's channels offer perspectives on a portion of the city's customary engineering and lifestyles on the waterfront. Shopping settings, huge numbers of which are main stream with the two visitors and local people, run from the strip malls and retail establishments gathered in Siam and Ratchaprasong to the rambling Chatuchak Weekend Market. Taling Chan Floating Market is among the couple of such markets in Bangkok.
