Dear All,

We are glad to announce the **2nd Global Experts Meeting on Frontiers in Nursing Education** to be held in **April 27-29 2020, San Francisco, USA** organized by Frontiers Meetings Ltd in collaboration with generous support and cooperation from enthusiastic Academicians and Editorial Board Members. This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss wide range of current topics and will be available to discuss on the theme **Explore Latest Challenges and Innovations in Nursing Education**. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the **Nursing Education** Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

With Best Regards,

Edward Stanley | Program Ambassador
Global Nursing Education 2020

Hope to see you at San Francisco!

ABOUT

San Francisco is the 13th most populous city in the United States, and the fourth most populous in California, with 883,305 residents as of 2018. It covers an area of about 46.89 square miles (121.4 km²), mostly at the north end of the San Francisco Peninsula in the San Francisco Bay Area, making it the second most densely populated large U.S. city, and the fifth most densely populated U.S. county, behind only four of the five New York City boroughs. San Francisco is the 12th-largest metropolitan statistical area in the United States, with 4,729,484 people in 2018.

San Francisco is known for its cool summers, fog, steep rolling hills, eclectic mix of architecture, and landmarks, including the Golden Gate Bridge, cable cars, the former Alcatraz Federal Penitentiary, Fisherman's Wharf, and its Chinatown district. It is home to a number of educational and cultural institutions, such as the University of San Francisco (USF), University of California, San Francisco (UCSF), San Francisco State University (SFSU), the De Young Museum, the San Francisco Museum of Modern Art, and the California Academy of Sciences.

Join us in San Francisco and enjoy the alluring beauty of San Francisco along with a very rich scientific program of Global Nursing Education 2020. Hoping to see you in San Francisco.
