Home > Board Review Courses

Sleep Symposium for Clinicians & Researchers - 3rd Annual is organized by the Columbia University Department of Medicine. The session is held from Mar 13, 2020, at Columbia University Irving Medical Center, New York City, New York, United States of America.

Target Audience:

The course is intended towards health professionals in the broad fields of primary care, pediatrics, geriatrics, neurology, psychology, psychiatry, and cardiology, as well as scientists working in the fields of sleep and brain health. This session is open to medical doctors, researchers, nurses, physician assistants, fellows.

Accreditation:

Credit Designation Statement:

Amedco LLC accreditated this live activity for a maximum of **7.00** AMA PRA Category 1 Credit[™] (pending). Physicians can claim only the credit commensurate based on the extent of their participation in the activity.

Program Overview:

The mission of this session is to present healthcare professionals and scientists with up-to-date information on the relation between sleep health and cardiovascular disease.

Learning Objectives:

By the end of the session, participants will be able to review, identify, and explore the features of sleep and cardiovascular disease throughout the life course. An attendee will attain knowledge on the topic of health conditions and disease states. The aim of the session is to render cutting-edge information and research findings to clinicians and scientists of all the stages of their career and with various background and expertise; to create an interactive setting via discussions with each speaker and program director, an attendee can join and learn from program faculty to discuss sleep as a risk factor for cardiovascular disease in individuals in all stages of life.
