Research and Quality in Healthcare

Nursing 2020

## Future Shape of Nursing and Healthcare: Accessions, Organizations & Research

Conference Dedicated to Innovate Solution to the Public Health Challenges

Your single Destination to reach Largest Assemblage of participants from Nursing 2020 Community

Opportunity beyond any Comparison to Attend & Network

Experience the Global Ambiance with Researchers with Similar Significance

Make New Associations and Fostering Potential Partnerships

Learning & Knowledge in a Single Package

Worldwide Acknowledgement to your Research Profile

Explore the best in Cutting Edge Research

Learn Beyond your Field of Interest

Professional Development to Elevate your Knowledge and Skills

## Nursing 2020

### **Speakers Representation from 50+ Countries**

**1 Conference | 2 Days | 32<sup>nd</sup> International Conference on Nursing & Healthcare series**

**15 Keynote Talks | 75 Plenary Speakers | 17 Interactive sessions**

**Symposia | Workshops | Best Poster Award**

**200 Attendees | 50 Professors | and many more . . .**

## Greetings!

Welcome to most exciting and fascinating Singapore!

Within this splendid setting, we plan to deliver a conference that will exceed your expectations.

During this year's Conference, we hope that you will seize the opportunity to rekindle ongoing connections and spark new ones with your colleagues from around the globe. It's with great pleasure and great honor to invite you to the **"32<sup>nd</sup> International Conference on Nursing and Healthcare (CNE Credits)"** scheduled during **July 27-28, 2020** at **Singapore**.

The Conference will be organized around the theme ***"Advanced Concepts in Nursing Research and Quality in Healthcare"***

Nursing 2020 anticipates more than 500 participants around the globe to experience thought provoking Keynote lectures, Oral & Poster presentations. This year conference will offer ample opportunities for all stakeholders working on Nursing & Healthcare to expose their research work.

Our conference aims to gather the Researchers, principal investigators, experts, Professors. and researchers working on Nursing and Healthcare from both academia and health care industry, Business Delegates, Scientists and students across the globe to provide an international forum for the dissemination of original research results, new ideas and practical development experiences.

This year's Conference program, coupled with the Business Opportunity Exchange, is an event you can't afford to miss!.

Sincerely

Sarah Florence

Program Manager | Nursing 2020

Organizing Committee

We are back again! Conference that dedicated to Innovate Solution to the Public Health Challenges, one conference which future the shape of Nursing & Healthcare. Our Conference will organize and allow to access the global researchers around the world in a single platform. Nursing 2020 will provide a great opportunity beyond any comparison to attend and network with Nursing and Healthcare Community.

Join us at our 2020 edition of Nursing and Healthcare to Experience the Global Ambiance with the Researchers who work with similar significance of research. Nursing 2020 will help you to get answers to all your queries related to your research work and also it creates an great opportunity to make new associations and also helps to foster potential partnerships. Nursing 2020 will be an great platform for you to create long lasting relationship with the fellow researchers from Nursing and Healthcare Community.

Get worldwide acknowledgement to your research profile where more than 55000 Visitors who analyzed our conference website to attend and submit proposals of their research work. Where this was recorded as the highest number of Visitors from both, developed and developing nations. While we penetrate the study of visitor, navigation, and traffic patterns to determine the success of our conference website majority amount of traffic we receive from cities like New York, London, Valencia, Amsterdam, Madrid, Barcelona, Athens, Sydney, Paris, Frankfurt, Tokyo, Osaka, Melbourne, Moscow and Vienna.

Nursing 2020 website is attracting 56000+ Nursing Education, Nursing Practice and Research, Types of Nursing, Healthcare and Management, Midwifery and Nursing, Nursing Leadership and Management, Oncology Nursing, Clinical Nursing and Nursing Practice, Cancer Nursing, Women's Health Nursing, Neonatal , Maternal Healthcare Nursing and Emergency and Critical Care nursing and Obstetrics & Gynecology nursing.

This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

## Nursing 2020 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

## Monday, July 27

08:00-09:00

Registration

09:00-09:30

Opening Ceremony

09:30-10:15

16:30-17:00

Awards Banquet and Closing Ceremony

## Purpose

With members from around the world focused on learning about Advanced Concepts in Nursing Research and Quality in Healthcare, this is your single best opportunity to reach the largest assemblage of participants from the scientific community.

Conduct demonstrations, distribute information, meet with eminent personalities, and make a splash with latest research innovations at this outstanding event.

## Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration.
- The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Nursing and Healthcare to present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address Nursing Research and Quality in Healthcare and overcome barriers that limit access to care and services.

## Objectives

- After participating in this meeting, attendees should be able to
- Discuss emerging issues in Nursing and Healthcare
- Discuss and apply recent research findings related to Nursing and Healthcare
- Disseminate the diverse voices of breakthrough innovators with visionary and practical solutions.

## Who should attend?

Nursing Research Scientists, Healthcare Researchers, Nursing Organizations, Associations, Pharmacists, Surgical Nursing, President, Dean, Professors and societies, Business delegates, CEO's and R&D Heads from Industries, Directors, Industrial Leaders, Nursing 2020 Specialties are Surgeons, Physicians, Dermatologists, Registered Nurses, people working in Laboratories, Nurse Practitioners, Plastic Surgeons, Researchers, Professors, Medical Devices and Pharmaceutical Companies, Health Care Industries and all Associations and Societies related to Nursing associations & foundations, Professors and Students from Academia in the study of Nursing Research and Healthcare and researchers who utilize novel techniques and knowledge in Nursing and Healthcare.

## Diverse Action-Oriented Programming & Networking

**EXPERIENCE:** Inspiring change around the country and world, growing a revolution from the Nursing Research and Quality in Healthcare.

**EXPLORE** the forefront of breakthrough ideas and models in electrifying morning keynote talks, featuring luminaries and “the greatest people you’ve never heard of.”

**PARTICIPATE** in afternoon panels and workshops/symposiums on diverse topics of Nursing and Healthcare and more!

**NETWORK** with a community of leadership – dynamic change makers from around the country and world, or from your region, to develop important professional and personal relationships.

**SHARE** your insights and learning at the conference in participatory and experiential workshops.

**DISCOVER** powerful opportunities and strategies for creating and engaging with progressive change in your work, life and community.

**CELEBRATE** how great a difference one person can make, and how building community amplifies that change.

## Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

## Quantifying Benefits:

In Nursing 2020, You can spend a reasonably short period of time and get substantial information on diverse topics that we focus in the areas of Advance Nursing research and Quality in Healthcare.

Our speakers are specialized in these fields and have already done the sifting and selection of information from a wide variety of sources and stay competitive in today's fast-paced world.

**Participation and engagement possibilities:** Be a speaker, Chair/Co-chair a session, be part of a panel discussion or member of scientific committee, conduct a workshop/symposium, propose a session/track, conduct a pre-conference workshop or Present a poster at Nursing 2020 Conference.

**Networking with peers:** Face-to-Face time networking with the most eminent speakers in the profession will help raise your profile and develop your career. Most people can help each other uncover ideas and spark inspiration when they get to know each other on a personal level.

**Educational openings:** The instructive part of Nursing 2020 Conference can open you to better approaches for leading your exploration, business and enable you to find how to be more gainful to the communities

**Quantifying global visibility:** With over 250K visitors per month and 130K new visitors to our congress would help in quantifying your research and biography visibility to the online communities and get recognized.

**Academic rigor blended with Business acumen:** Not all the international meets are truly blended with the right mix that has the necessary subject matter expertise, practical experience in implementation, as well as the ability to engage audiences in workshops/seminars in an interesting way that stimulates thought and debate

**Expert Position Branding:** When you are active in your industry, you can develop a reputation as an expert to your peers and your clients. Those who are engaged over the long term are often asked to speak at the events and to write articles for their industry publications.

**Exhibitor Opportunities:** Exhibitors can conduct business, cultivate their image and can look for business partners.

## Scientific Sessions

- Nursing and Types of Nursing Healthcare
- Nursing Practice and Nursing Research • Emergency Nursing and Critical Care
- Nursing Education • Pediatric Nursing
- Healthcare and Management • Cardiology and Cardiovascular Nursing
- Midwifery and Women Health • Gastroenterology Nursing
- Nursing Leadership • Gynecology and Obstetrics
- Clinical Nursing • Gerontology and Geriatrics
- Oncology Nursing and Cancer Care • Mental Health Nursing Practice
- Surgical Nursing & Nursing Techniques • Legal Nursing and Nurse Practitioner
- Neonatal Nursing and Maternal • Travel Nurse

## Nursing 2020 Outlook

Explore the best in Cutting edge Research

Change to learn beyond your field of Interest

Keynote sessions by worlds most eminent and distinguished researchers

Conference Participation Inspires, Rejuvenate and Energize participants

Nursing 2020 is an unique platform to increase your reputation within the Nursing and Healthcare Sector

Learning and Knowledge in a single package

Speaker's representation from 50+ Countries

1 Conference | 2 Days

This gathering empowers a typical stage for the members to talk about their research keeping in mind the end goal to set up a scientific network between the academia and industry and to assess the rising advancements and developments to explore new conceivable outcomes and enhancing the existed opportunities.

The Global Market for Healthcare Analytics and Technologies had reached USD 6.2 Billion in 2016, USD 8.92 Billion in 2017 and expected to reach USD 14.9 Billion by 2022, at a CAGR of 15.8%.

The Market for Residential Healthcare and Adult social care services have shown growth in recent months. With the UK's emerging aging population and advancing, age-related health conditions demand of adequate social care has been increased. Because of this industry revenue is expected to rise by 1.9% over the years through 2019-21, including expansion of 2.3% in the current year, reaching £6.8 billion.

And estimation of the economic value of the adult social care sector in England is more than £20 billion per year. Furthermore, growth in average annual health care spending is expected to range from in 2.4% in western Europe - 4.9% in N.A from Asia 8.1%, and Australia to 8.7% in middle east and Africa.

The growth rate of the nursing graduates is also increased by 48% across the 22 EU countries that are OECD (The Organisation for Economic Cooperation and Development) members.

Europe now ranks 2nd next to North America in the regional segment of global skilled Nursing 2020 services because of high Healthcare expenditure coupled with an elevated sense of awareness.

Singapore is a sovereign island city-state in Southeast Asia. The city has been classified as Alpha+ global city, expressing its impact on the global economy. According to reports, Singapore has spent \$240 billion on healthcare in 2016, which is approximately 4.2% of the GDP and the numbers are expected to rise 3% every year.

Singapore is considered as an important midpoint for higher education and healthcare.

Singapore conferences play an important role in developing scientific information and generating ideas all over the globe.

In 2018's Singapore ranked 2nd by Bloomberg healthcare efficiency scoring, medical tourist patients in Singapore are fascinated by quality healthcare and clean environment. Singapore is ranked 6th in World Health Organisation's ranking. Singapore is placed 2nd out of 166 countries for healthcare outcomes by the Economic Intelligence Unit. Among 163 countries, Singapore is ranked 4th healthiest country around the globe and 1st in Asia by Bloomberg Global Health Index.

Especially Singapore has a powerful and widespread system for medicine and healthcare industry. Due to well-developed healthcare industry, Singapore has the world's longest life expectancy at 84.8 years where people can live healthy life till 75.8 years reported in 2019. Singapore has most successful healthcare system around the globe both in terms of financing and the results obtained in community health outcomes. The government also regulates policies to frequently regulate the prices and supply of healthcare services in the country.

## REGISTER

### Academic

Only Registration: USD 799

Package A (Registration + 2 nights' Accommodation): USD 1149

Package B (Registration + 3 nights' Accommodation): USD 1399

### Business

Only Registration: USD 899

Package A (Registration + 2 nights' Accommodation): USD 1249

Package B (Registration + 3 nights' Accommodation): USD 1499

### Student

Student YRF: USD 499

Student Poster: USD 449 (USD 349 + USD 100 for Poster)

Student Participation without Amenities: USD 150

E-poster: USD 99

### Important Dates

Abstract submission opens: Jan 10, 2020

Registration opens: Jan 10, 2020

Early bird registration: Feb 15, 2020

On spot registration: July 27, 2020

### To Register:
