

6th World Congress on

Polycystic Ovarian Syndrome

June 08-09, 2020
Frankfurt, Germany

Theme:

Diagnosis and intervention of Polycystic Ovarian Syndrome!!

Invitation

EuroSciCon is organizing meeting on 6th World Congress on Polycystic Ovarian Syndrome is scheduled from June 8-9, 2020 at Frankfurt, Germany. EuroSciCon is the UK based independent life science Events Company with predominantly business and academic client base.

The 2020 meeting promises to be a dynamic and informative event and going to explore the issues on work related factors, innovations and integrated approaches towards Polycystic Ovarian Syndrome, the speakers are a multidisciplinary gathering of globally perceived specialists that speak on the Polycystic Ovarian Syndrome with a theme on Diagnosis and intervention of Polycystic Ovarian Syndrome!!!

This is 2-day Meeting and you can participate in a number of educational formats including General Sessions, Poster Presentations, and Workshops/Symposium, Meet-the-Professor Sessions, Oral Presentations and other interactive and informal exchanges.

Topics will cover the latest advances in PCOS and Fertility, Endometrial Cancer, Fertility Management & Treatment, Postnatal Depression and many more...

We trust you will discover the Meeting beneficial, enlightening and agreeable. We want to thank all EuroSciCon Members and participants whose commitments and cooperation have been basic to the accomplishment of the association!!

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

June 08-09, 2020
Frankfurt, Germany

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref
Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manuscripts in our Open Access Journals

With over 25000+ Ergonomists, Engineers, Scientists, Students Technologists accessing the website, EuroSciCon Ergonomics & Human Factors 2020 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Polycystic Ovarian Syndrome 2020 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives

Nurture connexions

Agenda format which incorporates ample Q&A time

Partake in our revamped exhibitor expo sessions

Meet and listen to the relevant clients

Unprecedented growth creating an unparalleled market place

June 08-09, 2020
Frankfurt, Germany

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience

It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries

Over 25 Million+ Visitors and 20000+ Unique Visitors per conference

World's leading industries and companies attend

Career guidance for early career researchers and students

Provides insights you need to take your research to the next level

A huge conclave of high tech and science priests

Who'd be attending?

EuroSciCon Conference on 6th World Congress on Polycystic Ovarian Syndrome plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently researchers, Engineers, Scientists, Students and others who stay plunged in learning and practice in the polycystic ovarian syndrome & its technologies.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 19 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- polycystic ovarian syndrome
- PCOS and Fertility
- PCOS- Women Health
- Endometrial Cancer
- PCOS Associated Organs
- In Vitro Fertilization
- Fertility Management & Treatment
- Fertilization Techniques
- Immunological Approaches Of Fertility
- Fertility And Infertility Women
- Drugs In PCOS
- Bariatric Surgery In PCOS
- Obstetrics And Gynecology
- Postnatal Depression
- PCOS Advanced Research
- Current Trends In The Treatment of PCOS System
- Pregnancy Hypertension
- PCOS & Stem Cell Treatment
- PCOS & Pregnancy
- PCOS & Ayurveda
- PCOS & Nutrition
- Fertility Surgery & IVF treatment
- PCOS & Obesity
- Epidemiology & Pathophysiology
- Midwifery Nursing

About Destination Frankfurt

Frankfurt is a metropolis and the largest city of the German federal state of Hesse, and its 746,878 (2017) inhabitants make it the fifth-largest city in Germany. On the River Main, it forms a continuous conurbation with the neighbouring city of Offenbach am Main, and its urban area has a population of 2.3 million. The city is at the centre of the larger Rhine-Main Metropolitan Region, which has a population of 5.5 million and is Germany's second-largest metropolitan region after the Rhine-Ruhr Region. Since the enlargement of the European Union in 2013, the geographic centre of the EU is about 40 km (25 mi) to the east of Frankfurt's central business district. Like France and Franconia, the city is named after the Franks. Frankfurt is the largest city in the Rhine Franconian dialect area.

Top Attractive Places to Visit in Frankfurt

Frankfurt, a central German city on the river Main, is a major financial hub that's home to the European Central Bank. It's the birthplace of famed writer Johann Wolfgang von Goethe, whose former home is now the Goethe House Museum. Like much of the city, it was damaged during World War II and later rebuilt. The reconstructed Altstadt (Old Town) is the site of Römerberg, a square that hosts an annual Christmas market.

Römer; The Römer is a medieval building in the Altstadt of Frankfurt am Main, Germany, and one of the city's most important landmarks. The Römer is located opposite the Old St. Nicholas church and has been the city hall of Frankfurt for over 600 years.

The Palmengarten; The Palmengarten is one of three botanical gardens in Frankfurt am Main, Germany. It is located in the Westend-Süd district. It covers a surface of 22 hectares. Like many public sites in Frankfurt, it was privately financed and implemented by the architect Heinrich Siesmayer.

Tentative Program

Day 1

07:00–08:00 (All Attendees)
Continental Breakfast & Registration
08:00–08:30 (All Attendees)
Introductions & Welcome

08:30–09:00 (All Attendees)
Opening Ceremony
09:00–09:40 Plenary Talk–1
09:40–10:20 Plenary Talk–2
Refreshment and Networking Break
10:40–12:30 General Session
(Oral Presentation)
12:30–13:30 Gala Lunch
13:30–15:30 Keynote Talk 1, 2, 3
Refreshment and Networking Break
15:30–17:00 General Session
(Oral Presentation)
17:00–18:00 General Session
(Oral Presentation)
18:00–18:30 Networking Session

Day 2

09:00–09:40 Plenary Talk 3
09:40–10:20 Plenary Talk 4
Refreshment and Networking Break
10:20–12:30 Keynote 4, 5, 6
Lunch Break
12:30–13:30 General Session
(Oral Presentation)
13:30–15:30 Refreshment and Networking Break
15:30–16:30 General Session
(Oral Presentation)
16:30–18:00 Poster Session
18:00–18:30 Networking Session & Closing Ceremony
