Invitation

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Chicago is all set for an amazing event as PULSUS proudly presents the “**International Conference on Pharmaceutics and Novel Drug Delivery System**” slated on **August 26-27, 2020 at Chicago, USA**. PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Pharmaceutics professionals from around the world to participate in the upcoming Pharmascience 2020. The meeting for this year will revolve around the theme “*Decipher the mysteries in Pharmaceutics and Novel Drug Delivery System*”. thus relaying the most cutting edge findings in the field of Pharmascience. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Regards
Pharmascience 2020
Organizing Committee

Conference Highlights

- Pharmaceutics and Pharmacokinetics
- Pharmacovigilance and Drug safety
- Pharmaceutical Microbiology and Biotechnology
- Novel Drug Delivery
- Drug Targeting and Design
- Biopharmaceutical formulations
- Effect of Pharmacotherapy on drug delivery systems
- Routes of drug administration
- Vaccine drug delivery system
- Advanced drug delivery system
- Peptides and protein drug delivery system
- Nanotechnology in Pharmaceutics and Drug delivery system
- Pharmacogenomics
- Green Chemistry in Pharmaceutics
- Drug delivery through BBB
- Herbal Drugs and Formulations
- Pharmaceutical Research & Development
- Clinical and medical case reports

August 26, 2020-Wednesday

Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
Group Photo	
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Pharmaceutics and Pharmacokinetics Pharmacovigilance and Drug safety Pharmaceutical Microbiology and Biotechnology
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Novel Drug Delivery Drug Targeting and Design Biopharmaceutical formulations
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Effect of Pharmacotherapy on drug delivery systems Routes of drug administration Vaccine drug delivery system

August 27, 2020-Thursday

Time	Session
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Advanced drug delivery system Peptides and protein drug delivery system Nanotechnology in Pharmaceutics and Drug delivery system
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Pharmacogenomics Green Chemistry in Pharmaceutics Drug delivery through BBB
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Herbal Drugs and Formulations Pharmaceutical Research & Development Clinical and medical case report
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations
Day Concludes	

Tourist Attractions

Venue

Chicago is the most popular and largest city in the U.S. state of Illinois, Famed for its bold architecture, and the neo-Gothic Tribune Tower. The city is also renowned for its museums, including the Art Institute of Chicago with its noted Impressionist and PostImpressionist works. Chicago is an international hub for finance, culture, commerce, industry, education, technology, telecommunications, and transportation. Of the area's many colleges and universities, the University of Chicago, Northwestern University, and the University of Illinois at Chicago are classified as "highest research" doctoral universities. Enjoy and discover Chicago, beyond during your stay for a conference.. Attractions-Chicago, the "Windy City" as it is often called, lies along the shores of Lake Michigan. It is known for its vibrant arts scene, numerous cultural attractions, excellent shopping, and interesting architecture. The city enjoys a worldwide reputation as a focal point of 20th-century architecture and art, with architects such as Louis Sullivan and Frank Lloyd Wright, and artists like Picasso, Miró, Dubuffet, and Chagall leaving their mark. The city also has much to offer in the sporting sphere, too, with the Chicago Bears in American football, the Chicago White Sox and Cubs in baseball, and the Chicago Bulls in basketball. Last, but not least, are the beautiful beach. Make a trip to Chicago and explore the city with wonders. Travel-Travel to and within Chicago is reasonably straightforward and generally very safe. Visitors from many countries can enter Chicago without the need for a visa and the country's efficient and speedy transport system means tourists can quickly reach their desired destinations. Food-The country boasts a vast array of tempting and exotic foodstuffs, the best of which are exquisite works of art rather than mere stomach-fodder. Many visitors to Chicago visit the country to try its wonderful restaurants.
