Why Rome ??

Rome is the capital city of Italy and it also serves as the capital of the Lazio region. It is the fourth most populated city in the European Union by population within city limits. It is the centre of the Metropolitan City of Rome, which has a people of 4,355,725 residents, thus making it the most populated metropolitan city in Italy. In 2016, it was placed as the 14th-most-visited city in the world, 3rd most visited in the European Union, and the most popular tourist attraction in Italy. The Vatican Museum is among the world's most visited museums whereas the Colosseum was the most popular tourist attraction in the world with 7.4 million visitors in 2018. Its corporate district, called EUR, is the base of many companies involved in the oil industry, the pharmaceutical industry, and financial services. It is also an important fashion and design centre. Rome's Cinecittà Studios have been the set of many Academy Award-winning movies. It is a nationwide and major international centre for higher education, containing numerous academies, colleges and universities. It is an vital centre for music, and it has an powerful musical scene, including several prestigious music conservatories and theatres. Today is one of the most important tourist destinations of the world. The Colosseum (4 million tourists) and the Vatican Museums (4.2 million tourists) are the 39th and 37th (respectively) most visited places in the world, according to a recent study.
